OVERVIEW

"OPUS ONE" is an exceptional 2005 Sea Ray 420 Sundancer, currently moored in Ocean Ridge, FL, ideally positioned between the lively areas of Palm Beach and Fort Lauderdale.

In September 2024, this magnificent yacht received extensive enhancements, including a new bottom paint, fresh boot stripes, and cutlass bearings. She was carefully waxed and detailed during this upgrade, and a brand-new generator was added. With upgraded Cummins 480CE engines having fewer than 470 hours, she offers both strength and dependability.

The original cockpit vinyl of OPUS ONE is in outstanding condition, while her interior radiates the allure of a much newer yacht. This highly desirable Sea Ray model continues to impress, featuring a well-designed two-stateroom, two-head layout that is among Sea Ray's top offerings.

For additional comfort, "OPUS ONE" includes an air-conditioned cockpit and a bow thruster, enhancing the overall experience on the water.

Undoubtedly, she is among the finest yachts available in the current location, making her a perfect choice for those seeking to purchase a yacht in this category.
