DETAILED DESCRIPTION

Section name

This remarkable yacht is driven by three 450R Mercury engines, with just 425 hours on them, and comes with an extended platinum warranty, offering assurance to the selective buyer. The vessel features a full gap tower, stylishly finished in black powder coating, which perfectly matches the sleek black sides of the hull and the undersides of the hard tops. Navigating and controlling the yacht is effortless with dual 24-inch Garmin displays, a Garmin open array radar, autopilot, transducer, and VHF, all seamlessly integrated for an exceptional maritime journey.

For nighttime adventurers, the FLIR night vision system enhances visibility, while underwater lights and hard top lights beautifully illuminate the surroundings. The yacht also includes under gunwale lights, adding a sophisticated touch to the vessel's atmosphere. Entertainment is first-class with a JL Audio sound system featuring Bluetooth connectivity, ensuring your favorite music is always accessible.

Fishing aficionados will value the GemLux outriggers and carbon fiber bases, along with the convenience of a 12-inch Garmin unit in the tower. The yacht is crafted for both relaxation and practicality, with a dive door, windlass, and bow thruster for easy handling. The live-well window and hard top sunroof enhance the vessel's adaptability, while double row seating and forward seating with electric backrests ensure passenger comfort.

Additional amenities include a generator, extra house batteries, and diamond stitch upholstery, all adding to the yacht's opulent feel. Practical features are not forgotten, with hard top grab rails and covers for the motors, telephone booth, tower, and forward seating providing protection and durability. This yacht is a triumph of design and engineering, delivering an unmatched

experience on the water.
