DETAILED DESCRIPTION

Section name

This exquisite 42 Open Fisherman is an extraordinary vessel, maintained with precision and stored on a lift to preserve its immaculate condition. One of the yacht's most impressive features is its folding tower with dual stations, providing flexibility and improved visibility for both navigation and fishing endeavors. In October 2020, the yacht received a significant upgrade with the installation of three Yamaha 350 C-Series engines, ensuring powerful performance and dependable operation. These engines come with a warranty valid until October 2027, offering long-term assurance. Furthermore, the yacht is shielded by a full cover, safeguarding it from the elements and maintaining its breathtaking appearance. This blend of features and meticulous care makes the 42 Open Fisherman an outstanding option for those who desire both opulence and practicality on the water.

Vessel details

This yacht is equipped with a remarkable set of features that make it an ideal option for both relaxation and fishing aficionados. The deck and hull are expertly crafted, featuring a rear-facing helm seat with an integrated cooler, perfect for keeping drinks within easy reach. Comfort is a priority, with a front console Lebroc lounge seat complete with armrests, and a coffin box with an electric ram lift for effortless access. Forward seating with detachable backrests provides versatility, while the rubrail with a stainless steel insert adds both durability and elegance. Enhanced maneuverability is achieved with a bow thruster, and a side door with a ladder offers easy entry. The full combing bolster ensures both safety and comfort, and navigation lights built into the hardtop improve visibility. A deluxe electric head in the console adds a

luxurious touch.

In terms of electronics and navigation, the yacht is outfitted with two GPS Map 7616 XSU units, a Garmin GHC 20, and a GPS Map 7608 XSU in the tower, ensuring accurate navigation. Communication is supported by two Icom 506 VHF radios, while entertainment is delivered by a Fusion MB-NRX 2001 stereo system, enhanced by twelve JL Audio speakers and two subwoofers. The Garmin autopilot and radar systems further boost the vessel's navigational prowess, and a transducer is included for depth assessment.

The tower is a standout feature, with a folding design that includes a dual station, a GPS Map 2608, Yamaha throttle, station selector, and engine start/stop controls. An Icom handheld VHF ensures communication, and five rod holders are strategically positioned for fishing ease.

Fishing gear is plentiful, with LED spreader lights, Rupp Top Gun Revolution outriggers, and a Rupp carbon fiber outrigger upgrade. The hardtop is fitted with six rod holders, while the console side boasts ten vertical rod holders. Twelve gunwale rod holders and a diaphragm pump for rear fish boxes cater to dedicated anglers, along with two electric reel outlets and an under gunwale gaff holder. Six in-console rod holders offer additional storage.

The electrical system is robust, featuring a battery charger with a galvanic isolator and three extra batteries, ensuring dependable power for all onboard systems. This yacht is a perfect fusion of luxury, practicality, and cutting-edge technology, making it an outstanding choice for any maritime adventure.
