OVERVIEW

2017 MTI V42

Presenting the exquisite 2017 MTI V42, powered by the formidable 2020 Mercury Racing 450R engines, with around 350 hours of thrilling performance. This yacht is currently on the market in the picturesque Destin, Florida, offering a unique opportunity for those seeking a vessel that marries opulence with state-of-the-art technology.

This initial listing hints at more stunning images and comprehensive details to follow. The yacht showcases a captivating Stage 2 paint finish in Pearl White, highlighted by sophisticated navy blue stripes, and a flawless white gel coat bottom.

Aboard the yacht, you'll discover a cutting-edge Garmin 8622 display at the helm, accompanied by two Garmin 8617 units for superior navigation. Additional features include a Garmin VHF radio, autopilot, and radar system, ensuring a smooth sailing experience. The yacht also boasts a power inverter and air conditioning for maximum comfort.

Entertainment is enhanced with a Stage 2 stereo system, while practical elements like a windlass, bow thruster, and a bow table/sun pad filler cushion enrich your time on the water. Revel in the atmosphere created by underwater lighting and the ease of a side door with a ladder for simple access.

The Flexiteek flooring adds an air of elegance, and a full boat cover ensures your asset is well safeguarded. Carbon poles with a sunshade complete this luxurious offering. Delve into yacht sales at the current boat location and seize the opportunity to own this extraordinary vessel.

DETAILED DESCRIPTION

Section name

This exquisite 2017 MTI V42 is an extraordinary yacht, driven by the powerful 2020 Mercury Racing 450R engines, with around 350 hours of operation. Situated in the scenic Destin, Florida, this yacht is a preliminary offering, with more images and details to be revealed soon. For those interested in further information or arranging a visit, Steven is available for questions and scheduling.

The yacht's exterior is a design marvel, showcasing a Stage 2 Paint finish in a captivating Pearl White, highlighted by sophisticated navy blue stripes. The bottom is adorned with a flawless White Gel Coat, ensuring a sleek and refined look. Onboard, the vessel is outfitted with cutting-edge Garmin electronics, featuring an 8622 model centrally and two 8617 models on the sides, along with a Garmin VHF Radio, Auto Pilot, and Radar for effortless navigation.

Prioritizing comfort and convenience, the yacht includes a Power Inverter and Air Conditioning system for a delightful onboard atmosphere. The Stage 2 Stereo system delivers outstanding sound quality, while the Windlass and Bow Thruster enhance handling. For leisure, the yacht offers a bow table that also serves as a sun pad filler cushion, complemented by wind deflectors for extra comfort.

Additionally, the yacht is fitted with underwater lighting, a side door with a ladder for easy boarding, and a tow eye for added utility. The Flexiteek flooring adds a touch of sophistication, while the full boat cover and carbon poles with sunshade provide protection and adaptability. This 2017 MTI V42 is a superb fusion of luxury, performance, and advanced technology, making it an exceptional choice for discerning yacht aficionados.

Other details

The company provides the information about this vessel with sincere intentions, but it is crucial to understand that it cannot ensure the precision of this data or guarantee the vessel's condition. Potential buyers are advised to employ their agents or surveyors to meticulously examine and confirm any details they consider essential. This vessel is open for purchase, yet it may be sold beforehand, experience price adjustments, or be removed from the market without prior notification.

Features

This yacht boasts an impressive selection of features crafted to elevate both its functionality and comfort. The electrical setup includes a shore power inlet and an inverter, ensuring the vessel remains powered and fully operational under various conditions. The electronics package is extensive, with a depth sounder, radar, plotter, autopilot, compass, GPS, and VHF radio, all working together to provide effortless navigation and communication.

Within the yacht, you'll discover a bow thruster for enhanced maneuverability, air conditioning to maintain a pleasant climate, and an electric head for added convenience. The interior is further complemented by a refrigerator to keep your provisions fresh and a battery charger to ensure all systems are consistently powered.

Externally, the yacht features a cockpit table perfect for dining under the open sky or simply relaxing, along with a swimming ladder for easy water access. These elements come together to form a vessel that is not only technologically advanced but also remarkably comfortable and user-friendly, making it an excellent choice for both experienced sailors and newcomers to yachting.

Propulsion

This yacht is driven by a remarkable set of four Mercury Racing 450R engines, each offering a formidable 450 horsepower. These 2020 model engines have been carefully maintained, each with around 350 hours of use, guaranteeing both dependability and high performance. As outboard engines, they operate on gasoline and are fitted with four-blade propellers, with the third and fourth engines featuring propellers crafted from sturdy stainless steel. This potent propulsion system delivers not only outstanding speed and agility but also ensures a smooth and efficient journey, making it a perfect option for those who desire both performance and reliability on the water.

Specifications

This yacht features remarkable proportions, with a total length of 42 feet and a beam spanning 11.5 feet, offering generous space and stability on the water. The vessel is outfitted with a thoughtfully designed array of tanks to facilitate long-distance travel. It includes a fresh water tank with a 40-gallon capacity, ensuring an adequate water supply for all onboard needs. The fuel tank is impressively large, accommodating up to 462 gallons, which supports extended cruising without the need for frequent refueling. Additionally, the yacht is equipped with a 5-gallon holding tank, efficiently managing waste. These specifications underscore the yacht's ability to provide both comfort and functionality, making it an ideal choice for extended voyages and relaxed exploration.

CONTACTS
