DETAILED DESCRIPTION

Section name

The Cruisers 4270 is an exceptional express yacht that seamlessly blends opulence with practicality in its spacious layout. This vessel showcases a robust, full-bodied silhouette with a lavish two-stateroom interior, ideal for hosting a small gathering in the cockpit. Constructed on a solidly cored hull with a broad beam and propeller pockets, the 4270 boasts a sleek design highlighted by an elongated foredeck, a reverse radar arch, and an extended swim platform.

Within, the generous interior presents a distinctive mid-cabin suite featuring twin single berths that can transform into a queen-size bed, accompanied by a private standup head compartment. This design marks a significant shift from the typically cramped mid-cabin layouts found in most express cruisers. The U-shaped galley is notably spacious, with wooden flooring and abundant counter and storage space, making meal preparation both easy and enjoyable. Above deck, the cockpit is crafted for comfort and ease, offering removable wraparound seating, a wet bar equipped with a refrigerator and icemaker, and a walk-through windshield for straightforward foredeck access. Additional amenities include a sizable helm console with room for flush-mounted electronics, a gas-assist engine room hatch in the cockpit, and a hidden, remote-controlled anchor windlass. The Cruisers 4270 is a meticulously finished yacht that effortlessly combines technical features with a luxurious and functional design.

Manufacturer provided description

The Cruisers 4270 Express expertly merges luxury with performance,

delivering an opulent experience on the water. This yacht boasts a midcabin suite with a cozy second stateroom, complete with a private head and a standup changing area. Its elegant lines and broad beam conceal an unexpectedly spacious interior, featuring a roomy master stateroom at the front, a fully equipped U-shaped galley, and a convertible dinette/sofa with crescent-shaped seating.

The midship suite is crafted for adaptability, with twin berths that can transform into a king-size bed using a self-storing filler cushion. Next to this stateroom is a private changing area with full headroom, generous storage, and a private head with a shower, all neatly tucked behind a bulkhead and door.

For outdoor enthusiasts, the 4270 is perfect for hosting family and friends. The expansive cockpit is tailored for socializing, offering removable wrap-around seating, a well-equipped wet bar with a refrigerator and ice maker, and an extended swim platform with a boarding ladder. Additionally, a walk-through windshield allows easy access to the foredeck. To ensure comfort and protection in adverse weather, the yacht is fitted with a Bimini top, side curtains, and a camper top.
