DETAILED DESCRIPTION

Electronics

This yacht boasts a remarkable suite of electronics, blending functionality with luxury for an unparalleled experience on the water. Central to its navigation prowess is the Raymarine 5212 GPS Unit, paired with a Raymarine 4K Open Array Radar featuring a new Magnum base, ensuring precise and dependable navigation. Communication is effortless with the latest Raymarine VHF, while the Raymarine Autopilot provides smooth control throughout your journeys. Fishing enthusiasts will find the Axiom 12" Multi-Function Displays with RealVision Fish Finder invaluable. The Uniden Depth Finder simplifies depth measurement, and the Maxwell Electric Windlass makes anchoring straightforward. The Golight Spotlight enhances visibility in dim conditions, and the dual Marinco 12V DC Outlets, along with an auxiliary USB port, offer ample power for your gadgets.

The yacht's atmosphere is elevated by cockpit lighting and entertainment options, including Sony TVs and a Skyworth TV in the cockpit. Enjoy films with the two Fahrenheit DVD Players, and dive into music with the Clarion Remote Control Stereo, supported by four 7.7 JL Audio Speakers and two subwoofers for exceptional sound quality.

For peak performance, the yacht is equipped with Bennet Trim Tabs featuring auto control and an LED tab indicator. The Inteli-Power Marine Converter/Charger Model PD2160 ensures effective power management. Stay connected with the TV antenna, and be captivated by the enchanting underwater lights that illuminate the ocean below. All cabin lights have been upgraded to LED, boosting energy efficiency and durability.

This yacht's electronic suite is crafted to deliver a seamless and opulent experience, ensuring every voyage is unforgettable.

Appliances

This yacht comes with an array of premium appliances crafted to elevate your onboard living experience. In the cockpit, a custom Kenyon BBQ grill awaits, ideal for alfresco cooking and entertaining. The galley inside is equipped with a new Cuisinart Microwave Convection Grill, providing a variety of cooking options to meet any culinary desire. The Nova Kool refrigerator and freezer offer generous storage for your supplies, ensuring you are well-prepared for long journeys.

For culinary enthusiasts, the Eureka Princess Dual Stove delivers dependable performance and ease of use. The cockpit also includes a Victifrigo refrigerator, granting easy access to chilled drinks and snacks as you unwind on deck. To ensure cleanliness and comfort throughout the yacht, a central vacuum system is installed, simplifying the task of keeping your living areas neat.

These carefully chosen appliances guarantee that your time aboard the yacht is as comfortable and pleasurable as possible, whether you're crafting a gourmet dish or simply savoring a refreshing beverage under the sun.

Electrical and mechanical

This yacht features a comprehensive electrical and mechanical setup crafted to deliver comfort and reliability throughout your travels. Central to its power system is the Cummins Onan Marine Generator, which supplies consistent electricity to all onboard systems. The shore power inlet, equipped with an automatic reel and wireless remote, ensures smooth connectivity to dockside power, making port transitions seamless.

Maintaining a comfortable climate is essential on this yacht, with both air conditioning and heating systems installed to ensure a pleasant atmosphere in any weather. Hot water is always at your disposal, meeting all your needs whether you're showering or cleaning up after a meal. The fresh water toilets

provide a touch of home-like convenience, enhancing the overall onboard experience.

To keep you informed about your resources, the yacht includes water and waste level gauges, allowing you to track usage and plan accordingly. These features come together to create a yacht that is not only luxurious but also exceptionally functional, ensuring every voyage is as enjoyable and stress-free as possible.

Extras

This yacht is adorned with a variety of luxurious additions that elevate both comfort and practicality. The cockpit is crafted for leisure and ease, featuring a shower for refreshing after a swim and a table perfect for outdoor dining or social gatherings. Inside, the elegant wood flooring adds a layer of sophistication to the living areas.

Climate control is expertly handled with four Cruisair A/C units, ensuring a pleasant atmosphere throughout the yacht. The Volvo Penta IPS joystick offers precise and effortless control, making docking and navigation simple. For those who love spending time in the cockpit, the Sunbrella and Eisenglass enclosure provides protection from the elements, while an extra A/C unit keeps the space cool and welcoming.

The yacht's head is fitted with a centrifuge system, complete with a holding tank and macerator, ensuring efficient waste management. In the forward stateroom, a therapeutic foam mattress guarantees restful nights, enhancing the overall comfort of your time on board. These extras come together to create a yacht that is not only luxurious but also exceptionally well-prepared for any adventure on the water.
