OVERVIEW

The 2017 Palm Beach 42 motor yacht is propelled by twin Volvo IPS 600 diesels, each delivering 435 hp, and fitted with intuitive joystick control for precise harbor handling. An optional fixed sunshade stretches gracefully across the teak cockpit, and the yacht comes exquisitely appointed with the refinement, performance, comfort, and efficiency synonymous with Palm Beach. Equally at home as an elegant express cruiser or a downeast-style dayboat, she appeals to the most discerning owners.

DETAILED DESCRIPTION

Upgrades

Acquired by her current owner in early 2024 and offered for sale now because of a change of plans, this yacht benefits from a carefully considered program of enhancements that lift both comfort and capability. A Starlink satellite receiver has been fitted to deliver global internet access and telephone service, while the main salon's original sisal carpet has been replaced with warm teak decking to create a timeless, marine grade interior underfoot. All cushions, bedding, comforters, and mattresses have been renewed to impart a fresh, modern ambiance, and a full canvas cover for the windshield together with 360° interior sun screens have been added to protect the interior from sun exposure. Across the entire boat a Teflon coat has been applied to preserve finishes and repel staining, and new teak and holly have been laid throughout the vessel to refresh the joinery and sole. Couches and upholstery have been completely redone and are complemented by new interior blinds and blackout shades for privacy and light control. The varnish has been comprehensively refinished; decks have been sanded, repaired, and serviced; and both motors and pods have been fully serviced to ensure reliable performance. A new smart TV now anchors the salon entertainment system, and with every major system refreshed and serviced the yacht is truly ready to travel.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
