## Standard features include

---

This opulent yacht seamlessly combines comfort with practicality, crafted to satisfy the most selective mariners. Enter the private staterooms, where two unique head designs offer unmatched privacy and ease. The forward berth features its own entrance, providing a secluded haven for relaxation. The adaptable VIP cabin includes two single beds that can easily be converted into a king-sized bed, effortlessly accommodating guests.

The salon is a design marvel, featuring a removable carpet for simple upkeep and a roomy layout that can be converted into a double bed, ideal for extra sleeping space. The fully-equipped galley on the main level is ready to meet all culinary demands, making cooking a pleasure.

For those who value effortless navigation, the yacht is equipped with an electric windlass and a windscreen defogger, ensuring clear sightlines and smooth cruising. The full-size patio door brings the outside in, creating a seamless integration of indoor and outdoor living areas.

The XXL flybridge is a highlight, featuring a sunpad that transforms into a spacious lounge area, perfect for sunbathing or hosting guests. This yacht exemplifies thoughtful design and luxurious lifestyle, offering an unforgettable journey on the water.

## Optional features

---

This magnificent yacht exemplifies luxury and cutting-edge design, offering a variety of optional features that enhance the onboard experience to extraordinary levels. The interior boasts two staterooms and two bathrooms, all elegantly finished in grey oak, creating a refined and tranquil environment.

The North American Package and Electronics Package ensure the yacht is outfitted with state-of-the-art technology for effortless navigation and entertainment.

For music enthusiasts, the Bowers & Wilkins Sound Package provides an unmatched auditory experience. The yacht also includes a mooring kit and anchoring kit, guaranteeing secure and stable mooring. An electric retractable sun awning in the cockpit offers shade and comfort, while flybridge covers and a bimini with LED lighting crafted from Sunbrella fabric enhance the outdoor living areas.

The flybridge galley, finished in glacier, is ideal for dining under the open sky, complemented by a hydraulic swim platform for easy water access. Fender storage racks on the forward pulpit and a teak cockpit table add both functionality and style. A bow sun mattress cover and external window curtains in Sunworker Charcoal mesh provide extra privacy and sun protection. Courtesy lighting in the cockpit, along with bedside lamps and reading lights, creates a cozy and welcoming atmosphere. Blue underwater lights, a searchlight, and stern docking lights ensure visibility and safety during nighttime adventures. The twin drawer stainless steel fridge/freezer with a 38-gallon capacity and an ice maker in the galley with a carbon filter meet all culinary requirements.

Enhanced air conditioning with a tropical 40k BTU system ensures comfort in any climate, while a folding luxury table in the salon on an electric pedestal adds a touch of sophistication. The entrance and stairs are carpeted in Elegance, and the cabins feature plush carpeting for additional comfort. Automatic trim tabs with Zipwake interceptors and a rope cutter on the prop shafts improve performance and handling.

Pre-wiring for a TV, an automatic fire extinguisher, and teak flooring on the flybridge complete this remarkable collection of optional features, making this yacht a true masterpiece of design and functionality.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
