# DETAILED DESCRIPTION

---

## Section name

---

The 420 LXF represents a revolutionary leap in the marine world, establishing new benchmarks with its cutting-edge design and outstanding capabilities. This yacht exemplifies exquisite craftsmanship, with every detail carefully considered during its development. Central to its remarkable performance is the Epoxy-Infused hull, which not only boosts structural integrity but also significantly lightens the vessel. This sophisticated building method guarantees the 420 LXF's unparalleled performance on the water. The yacht features innovative elements never before seen in this category, positioning it as a true trailblazer. Indeed, the 420 LXF is so innovative that it stands in a league of its own, providing an experience that is truly unique.

## Features

---

The 420 LXF yacht exemplifies the pinnacle of contemporary marine design, offering a wealth of features that seamlessly blend opulence with practicality. The deck is elegantly finished with Brisa upholstery, allowing for a choice of color packages to suit your personal taste. Comfort is prioritized with comprehensive 360-degree bolster cushions, while the eight pull-up flush mount cleats and stainless steel flush mount gunnel rod holders add functional utility. The aft under-deck systems room and midships systems room provide generous space for essential gear, complemented by port and starboard floor fish boxes with overboard diaphragm discharge, ideal for fishing enthusiasts.

Storage is plentiful with port aft transom storage and a three-person aft-facing cockpit seat, perfect for entertaining guests. The aerated transom baitwell and

full transom walk-thru platform with a dive ladder enhance the yacht's adaptability. A powder-coated patented hardtop with a curved glass enclosure offers protection, while the side boarding door on the port side and transom access door facilitate easy movement around the vessel. The electric retractable 50-foot Glendinning shore power cable and retractable fresh and raw water hoses add convenience to your nautical journeys.

The hull of the 420 LXF is a masterpiece of advanced engineering, featuring a double-stepped hull and vacuum-bagged epoxy-infused construction for both the hull and hardtop. This ensures a lightweight yet durable build, complemented by a recessed powder-coated coaming rail and Bennet hydraulic trim tabs with indicators for exceptional handling. The Seachest water manifold thru-hull system and self-bailing deck further enhance the yacht's seaworthiness.

The yacht's electronics are cutting-edge, with CZONE digital switching and three Garmin 8617 screens offering comprehensive control and navigation. The Garmin helm WiFi router keeps you connected, while the Fusion stereo with Bluetooth capability and forward deck stereo remote control ensure entertainment is always accessible. The yacht is equipped with eight JL Audio 7-inch component speakers on the deck, an interior cabin JBL sound bar, and a Fusion amplifier for a rich audio experience. Additional features include an AM/FM hardtop mounted antenna, 12V plug, USB connection, Richie magnetic compass, and dimming courtesy under bolster and hardtop lights.

The cabin is a haven of comfort, featuring a 12,000 BTU air conditioner, a two-burner glass stove cooktop, and a microwave for culinary ease.

Entertainment is provided by a wall flush-mounted 32-inch TV and DVD player, while a drawer refrigerator and galley sink cater to your refreshment needs.

The enclosed shower area with sump, port and starboard windows with privacy shade, and two single beds that convert into a queen offer a luxurious retreat. The high/low electric release marine teak table and cabin rod storage

enhance the cabin's functionality, with stainless accents and LED accent lighting throughout.

Additional notable features include an anchor windlass washdown hose, water heater, and generator for extended trips. The electronic bow table with cushion filler, Lewmar windlass, and helm windlass operation with bow foot switches ensure ease of use, while the stainless steel Lewmar anchor, chain, and rode provide reliable anchoring. The 420 LXF is a yacht that effortlessly combines luxury, performance, and practicality, making it a distinguished choice for discerning sailors.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
