## Say Carbon Standard Features

---

The SAY Carbon yacht stands as a pinnacle of contemporary design and opulence, crafted to deliver an unmatched experience on the open sea. Central to its design is the incorporation of synthetic teak, which offers both resilience and timeless elegance. The yacht features an electric engine hatch for effortless access and upkeep, while the electric table effortlessly converts into a day bed, providing flexibility and comfort for leisure.

For those who love to host, the yacht boasts a wet bar equipped with a sink and refrigerator, simplifying the serving of refreshments. The adjustable Shockwave seats offer exceptional comfort and support, ensuring a smooth journey even in turbulent waters. Navigation is simplified with the inclusion of two 16-inch Garmin plotters, placing cutting-edge technology at your disposal. The owner's cabin is a haven of comfort, featuring its own refrigerator and a fully equipped bathroom, ensuring all the comforts of home are readily available. The panoramic cabin roof bathes the area in natural light, enhancing the feeling of space and connection to the ocean. Anchoring is straightforward with a windlass that includes a concealed stainless steel anchor and chain, while retractable stainless cleats contribute to the yacht's sleek appearance. The yacht is fitted with two pop-up showers, offering both convenience and luxury, and a bow thruster for precise navigation. The mast, aft, and cockpit bimini provide shade and protection from the elements, while the Seakeeper 2 HD stabilizer guarantees a stable and comfortable voyage. The hull is safeguarded with primer and antifouling, preserving its immaculate condition. For effortless control, the yacht is equipped with a joystick control system, and the shore power connection with an included battery charger ensures constant power availability. Safety is a top priority, with an automatic bilge pump and

fire extinguisher on board. Entertainment is delivered by a Fusion system with six speakers and a subwoofer, enhanced by Bluetooth and USB connectivity, along with 12v and USB charging ports.

LED lighting on the deck and interior sets a welcoming atmosphere, while the inductive charging system provides modern convenience. Communication is supported by a Garmin VHF 315i radio, and a 12v air compressor is available for various tasks. Lastly, the yacht is equipped with a 220v inverter (2000 watt), ensuring all electrical needs are effortlessly met. This yacht is more than just a vessel; it is a testament to luxury and innovation on the water.

## Upgrades for this boat

---

This yacht exemplifies state-of-the-art technology and opulent enhancements, crafted to elevate every facet of your sea voyage. At its heart, the yacht is driven by two Volvo Penta V8-430-CE DPS engines, each with a capacity of 6.2 liters and 430 horsepower, paired with an aquamatic duo-prop drive. This robust configuration guarantees outstanding performance and seamless maneuverability on the water. The cruise control system further simplifies navigation, ensuring a leisurely and enjoyable trip.

The yacht's design, both aesthetic and functional, is enhanced by a carbon fiber T-top and aft bimini, offering both elegance and protection from the elements. Comfort is a priority, with air conditioning maintaining a pleasant atmosphere regardless of the weather. As dusk falls, LED underwater lights cast a captivating glow, illuminating the surrounding waters.

For swimming enthusiasts, the electric swim ladder provides effortless access to and from the water. The yacht features a DAB+ antenna for superior audio entertainment, while the Garmin Radar XHD offers advanced navigation capabilities. The exterior boasts a breathtaking Ibiza Blue Metallic finish, complemented by sandstone fabric with diamond stitching, adding a touch of sophistication to the interior.

Bow cushions provide extra comfort for lounging, and the visible carbon package, which includes the windshield, cabin door, seats, cockpit storage, and table, adds a contemporary and refined touch. The Ondeck-Smartcontrol system integrates effortlessly with the yacht's features, offering intuitive control and management of onboard systems. This yacht is more than just a vessel; it is a luxurious sanctuary on the water, equipped with the finest enhancements to ensure an unforgettable experience.

## Disclaimer

---

The Company provides the information about this vessel with the highest level of integrity, but it is crucial to understand that we cannot guarantee or ensure the precision of these details, nor can we confirm the vessel's condition. Potential buyers are encouraged to have their agents or surveyors conduct a comprehensive examination of any specifics they wish to verify. Additionally, it should be noted that the recorded hours for the vessel might not reflect the actual hours due to recent activity, and buyers are advised to confirm these hours before proceeding with a purchase. This vessel is available with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.
