2024 Everglades 395cc in Captivating Speed Blue Metallic

OPEN TO OFFERS!

Completely Outfitted Craft / No Upper Station / Triple Yamaha 450 Motors  
Speed Blue Metallic / Custom Painted Engines

Everglades is Redefining Limits Once Again...

Introducing the 395cc. This groundbreaking vessel merges state-of-the-art technology, formidable power, outstanding fishability, and yacht-like luxury in a modern center console design. At its core, the 395cc is a meticulously outfitted fishing machine, featuring premier fishing amenities and design. Beneath its robust exterior lies a heightened level of luxury and daring style, providing an exhilarating sensory experience.

Honoring Everglades' heritage while boldly progressing with innovative technology, luxurious touches, and tournament-ready fishing prowess, the 395cc has arrived. As a new member of the Everglades family, the 395cc offers the stability and versatility of our 455cc flagship, combined with the nimbleness of its smaller counterpart, the recently introduced 365cc. With a length of 39 feet and a 12-foot beam, the 395cc is characterized by its distinctive blend of athleticism, sophistication, and an unwavering dedication to excellence.

Discover yacht sales at the current boat location and seize the chance to acquire a yacht that epitomizes both performance and luxury.

## Section name

---

The 2024 Everglades 395 cc in striking Speed Blue Metallic is a masterpiece of contemporary marine design, crafted to enchant both passionate anglers and luxury cruisers alike. This vessel exemplifies Everglades' dedication to innovation, seamlessly integrating state-of-the-art technology, power, and yacht-like opulence into a sleek center console layout. At its core, the 395cc is a precisely equipped fishing powerhouse, featuring top-tier amenities and design that appeal to the most discerning fishing aficionados. Yet, beneath its robust exterior lies a realm of luxurious comfort and bold styling, delivering a captivating sensory experience.

Staying true to the Everglades legacy, the 395cc confidently steps into the future with pioneering technology, lavish details, and competition-ready fishing prowess. This new model in the Everglades lineup, measuring 39 feet in length with a 12-foot beam, offers the stability and versatility of the flagship 455cc, combined with the agility of its smaller sibling, the newly launched 365cc. The 395cc is distinguished by its unique fusion of athleticism and sophistication, refusing to compromise on any aspect.

The boat's expansive design accommodates both anglers and cruisers, featuring rich accents and details such as high-gloss teak wood, refined upholstery with exposed stitching, and a well-equipped galley. Optional features like the SeaKeeper 3, which eliminates up to 95% of boat roll, enhance comfort and reduce fatigue. This particular build is powered by triple Yamaha 450hp engines, complete with auto pilot and joystick for effortless navigation.

The stunning Speed Blue Metallic finish, complemented by custom paint on the motors, is just the beginning. The boat's upholstery is a pristine solid white, while the canvas package includes covers for the forward console seat,

console, helm seat, and mezzanine seat, all in a sophisticated silver color. A Mediterranean bow shade in white adds a touch of elegance.

For added comfort, air conditioning is available for both the mezzanine and helm seats. The carbon fiber steering wheel upgrade, engine flushing system, and quick-release fender pins enhance functionality and ease of use. The freezer package for the mezzanine seat and aft fish box ensures your catch stays fresh, while the JL Speakers LED M6 upgrade provides superior sound quality.

Additional features include a set of three limited lighter 18" lights, a Makefast powered awning, and shock mitigating helm seat pedestals, which replace two storage drawers under the helm seat. The teak accent with a bright finish and the teak ladder back triple helm seat by Pompanette add a touch of luxury.

The premium electronics package includes a Garmin VHF315, AIS 800 Transceiver, triple GPSMAP 8616xsv chart plotters, B175 high and low CHIRP transducers, and a Fantom 54 radar. The GXM 54 Sirius XM and weather receiver, which requires a subscription, keeps you informed, while the pocket transducer PM265LM CHIRP Airmar with deep water capabilities is an upgrade worth considering.

Finally, the electronic warranty surcharge, fuel charge for 100 gallons, and Yamaha shipping surcharge are included, ensuring that this remarkable vessel is ready for any adventure. The 2024 Everglades 395 cc is not just a boat; it's a statement of style, power, and unparalleled luxury on the water.

## Basic boat info

---

Presenting the Speed Blue Metallic, a breathtaking 2024 Everglades 395 CC that represents the zenith of contemporary boat design and craftsmanship. This brand-new vessel, expertly constructed by the esteemed Everglades, features a sleek and sturdy fiberglass build, guaranteeing both resilience and

high performance on the water. The hull, marked by the ID RJDCX076J324, attests to its genuine quality and superior craftsmanship.

The Speed Blue Metallic is more than just visually striking; it boasts an impressive range of 430 miles, making it ideal for extended journeys and thrilling adventures. As a fresh addition to the Everglades collection, this boat embodies the forefront of marine innovation and opulence. Whether you're an experienced mariner or a novice in the boating world, the 2024 Everglades 395 CC offers an unmatched experience on the open waters.

## Dimensions

---

The 2024 Everglades 395 CC boasts dimensions that are carefully crafted to deliver both efficiency and luxury. Stretching to an overall length of 42 feet 2 inches, this yacht offers plenty of room for leisure and activity alike. The waterline length is consistent with the main length at 39 feet, ensuring perfect balance and stability while navigating the waters. A broad beam of 12 feet enhances the deck's spaciousness, facilitating easy movement and guest accommodation.

The draft is expertly designed, with a maximum of 3 feet 10 inches and a minimum of 2 feet 8 inches, making it adaptable to a variety of water conditions. The deadrise is set at 25 degrees, which improves the vessel's ability to glide through waves effortlessly, ensuring a smooth journey even in rough seas. The electrical system runs on a 12-volt circuit, providing dependable power distribution throughout the yacht. These dimensions and specifications together make the Everglades 395 CC an ideal choice for those who desire a harmonious blend of elegance and practicality on the open waters.

## Engines / speed

---

The 2024 Everglades 395 CC is equipped with a powerful set of three Yamaha 450 XTO engines, each offering a robust 450 horsepower. These outboard-4s engines run on unleaded fuel and are fitted with sturdy three-blade stainless steel propellers, ensuring both reliability and high performance. The engines are strategically arranged with one on the port side, one centrally, and the third on the starboard side, providing balanced thrust and excellent maneuverability.

Each engine is brand new, with zero operational hours, highlighting the immaculate condition of this vessel. The combined engine power totals an impressive 1,350 horsepower, enabling the Everglades 395 CC to reach a cruising speed of 36 mph at 4000 RPM. For those in search of excitement, the top speed climbs to an exhilarating 56 mph, making this boat not only a luxurious option but also a formidable performer on the water. Whether you're enjoying a leisurely cruise or speeding across the waves, the Everglades 395 CC offers an outstanding experience with its cutting-edge engine setup.

## Additional info

---

The 2024 Everglades 395 CC stands as a pinnacle of marine craftsmanship, offering an array of features and equipment that seamlessly blend luxury with practicality. This center console saltwater fishing boat is outfitted with an electric windlass and a single head, ensuring both convenience and ease of use. Its construction is a testament to strength and safety, boasting an unsinkable design with a lifetime hull warranty and a three-year component warranty. The variable deadrise deep V-hull, created through the patented closed molded RAMCAP® process, is NMMA certified and self-bailing, with no wood used in its build. High-density, closed-cell foam flotation and a premium gel coat hull laminate with a vinyl-ester barrier and knitted bi-axle fiberglass

ensure enduring performance. The hull liner and deck are seamlessly joined for a solid one-piece construction, enhancing durability, while the molded-in diamond non-skid surface ensures safety underfoot.

The cabin is a sanctuary of comfort, featuring U-shaped cushioned seating with an adjustable backrest, a full-length bunk with a filler cushion, and generous storage. A wood-grained storage cabinet, microwave, and finished flooring with a bilge access hatch enhance the cabin's functionality. The lockable cabin entry door, 8K BTU air conditioner, LED lighting, and overhead glass skylight with 76 inches of standing headroom create an opulent atmosphere. The enclosed head includes a wood-finished door, a vanity cabinet with a solid surface top, a rain-style shower, and a china-bowl head with a macerator and 17-gallon holding tank.

The console is crafted for modern navigation and comfort, featuring an expansive electronics mounting area for triple 16-inch displays, a Garmin digital switching system, and a patented hydraulic sliding windshield. Stainless steel handrails, cup holders, and a recessed storage area with an inductive cell phone charger add to the convenience. The helm is equipped with air conditioning, a forward-facing double lounge seat, and vertical stainless steel rod holders.

The fiberglass hardtop is fitted with rod holders, integrated water management, and LED lighting, while the deck and cockpit feature a gyroscopic stabilizer Seakeeper 3, a stainless steel plow anchor, and a premier audio package. The mechanical and electrical systems include automatic bilge pumps, LED lighting, a freshwater tank, and a Fischer Panda 5kw diesel generator. The mezzanine provides personal item storage, a folding visibility platform, and an integrated pull-out shower.

For fishing aficionados, the Everglades 395 CC offers a single-level cockpit with 360-degree access, pressurized circulating livewells, and insulated fish boxes. The vessel is equipped with 39 rod holders, tackle storage compartments, and

a GEMLUX® carbon-fiber outrigger package. This yacht perfectly combines luxury, performance, and fishability, making it an outstanding choice for those seeking adventure on the open seas.
