OVERVIEW

Immaculate SportFish Awaits You!

2007 Henriques 42' Sportfisherman

An absolute must-see! This 42-foot Henriques Sportfisherman is a dream for any angler, equipped with nearly every available feature. It boasts a swim platform and a davit for your inflatable, perfectly positioned on the bow.

A fantastic fishing vessel, it is powered by robust MAN engines delivering 800hp. The expansive cockpit, measuring 155 square feet, is designed for serious fishing, featuring two removable fish boxes, a walk-through transom door, bait freezer, sink, tackle center, and storage for 29 rods, ensuring ample space for you and your fishing companions.

The engine room is generously sized, providing easy access to all service points. True to Henriques' reputation, the hull is hand-laid with solid fiberglass below the waterline and Divinycell coring on the sides. The bridge offers clear sightlines, a tidy helm console for your electronics, and a front bench seat. A unique feature is the walkway behind the helm, allowing access to the port companion seat without disturbing the captain.

The standard layout includes a port-side dinette, starboard L-shaped lounge, a full galley down to port, an island berth in the forward master, and bunks in a second stateroom. Opting to build your own Henriques means a limited production, semi-custom yacht. We are open to accommodating unique designs, provided they maintain the vessel's integrity.

In essence, no two 42's are identical!

With a legacy of boat-building excellence, the 42' is ready to tackle any challenge, offering unparalleled comfort.
