DETAILED DESCRIPTION

Section name

This yacht seamlessly combines opulence and practicality, both inside and out. On the fore deck, you'll discover an anchor locker, a spotlight, and an electric windlass with an anchor and rode, all enhanced by robust handrails for safety and ease. Transitioning to the bridge deck, the yacht features a radar arch and a Bimini top with full enclosure, offering excellent protection from the weather. Lounge seating to port and a walk-through windshield add to the comfort and accessibility of this space.

At the helm, the yacht is equipped with a new Garmin 9" touchscreen display 942 XS for radar and GPS, along with a Raytheon Raydata, Garmin 2006C GPS, Raypilot AP650, and an Icom IC-M504 VHF. The helm also includes trim tabs and a Clarion stereo remote, ensuring a smooth navigation experience. The cockpit is crafted for leisure and entertainment, with a wet bar and storage locker to port, U-shaped seating with a table to starboard, and straightforward access to the engine room. The cockpit is completed with carpeting, a transom door, and an extended swim platform for added ease.

Inside, the master stateroom is a sanctuary of comfort, featuring a center-line queen berth, Cruise Air A/C with SMX controls, two hanging lockers with mirrors, a flat panel TV, and a privacy door. The master head includes a Vacuflush head, a spacious shower, a vanity with storage, and double access doors. The salon provides a curved sofa to port, two ottomans, a removable table, and storage lockers behind the sofa, all under the comfort of Cruise Air A/C with SMX controls. Carpeting and an overhead opening hatch complete the salon's welcoming ambiance.

The galley is expansive and well-equipped, featuring a large U-shaped layout with a 3-burner electric stove, a 3/4 size refrigerator with freezer, a new

microwave oven, and wood flooring. There is ample storage both above and below the countertop. The mid-cabin offers twin berths that convert to a queen, a flat-panel TV, an in-suite head with vanity and shower, a mirrored closet and vanity, and a privacy door for added comfort.

Regarding electrical and mechanical aspects, the yacht is powered by a 9KW Kohler generator with 81 hours and a new electrical back end. It includes two 30A shore power cords, a battery charger, a water heater, and a DC/DC electrical panel with breakers and meters. Mechanically, the yacht is fitted with engines installed in 2008 (rebuilt), with 2090 hours on the boat since new. Additional features include sea water strainers, automatic bilge pumps, a Sea Fire fire control system, and two Cruise Air A/C units with SMX controls, ensuring a secure and comfortable voyage on the water.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
