OVERVIEW

The 2021 Cruisers Yachts 42 GLS Outboard is a polished luxury sport cruiser that marries the open-air freedom of an outboard dayboat with the creature comforts of a high-end cabin yacht, designed for spirited days on the water as well as refined weekend escapes. Power comes from triple 400 hp Mercury Verado outboards, delivering brisk acceleration, strong midrange performance and excellent fuel efficiency, while Mercury Joystick Piloting turns tight-quarters maneuvering and docking into an intuitive, low-stress operation. A Seakeeper 6 gyro stabilizer keeps motion to a minimum both at anchor and underway, and the onboard generator with air conditioning serves cockpit and cabin alike for true climate-controlled comfort. Natural light pours into the helm beneath the sleek hardtop skylight, a retractable SureShade extends cool cover at the touch of a button, and dramatic underwater and deck LED lighting create striking ambiance from sunset into the night. Socializing is effortless thanks to the signature fold-out beach door that opens the cockpit into an expansive waterside terrace; aft the generous U-shaped lounge converts into a sunpad, and the full wet bar and outdoor galley—equipped with an electric grill, refrigerator, sink and ice maker—keeps refreshments perfectly provisioned. Forward, a spacious bow seating lounge centers around a removable table with integrated armrests and an electric windlass for easy anchoring, while at the centerline helm triple captain's chairs face an upgraded dual-screen navigation suite with twin 12-inch multifunction displays, complemented by a premium Fusion/JL Audio sound system that fills the decks with concert-quality sound. Below decks the 42 GLS reveals a surprisingly roomy, finely finished interior tailored to weekend cruising: the salon dinette converts into a comfortable berth, the well-appointed galley handles gourmet preparation with ease, and a large mid-cabin berth provides a private retreat, with an en-suite head featuring a separate full-height shower that elevates onboard living to true yacht standards. SeaDek flooring runs throughout for a

soft, non-slip underfoot feel, and the vessel has been professionally maintained for turnkey confidence. Whether you seek an effortless dayboat getaway, a swift run to the islands, or a stylish weekend at anchor, this 42 GLS is comprehensively equipped to perform—beautifully, powerfully and with unmistakable Cruisers Yachts refinement.

DETAILED DESCRIPTION

2021 Cruisers Yachts 42 GLS OB

The 2021 Cruisers Yachts 42 GLS OB is a rare blend of a sophisticated dayboat and a capable weekender, designed to satisfy high performance cruising, watersports, spirited entertaining, and comfortable overnight stays.

Professionally maintained and fitted with meticulous attention to detail, she combines striking style with purposeful functionality.

Power comes from triple Mercury Verado outboards, each rated at 400 hp, delivering brisk acceleration, composed handling and economical cruising; Mercury Joystick Piloting adds effortless, precise control when threading into tight slips. Onboard comfort is assured by a SeaKeeper 6 gyrostabilizer, while a generator and dedicated air conditioning systems keep both cabin and cockpit pleasantly cool. The rigid hardtop with skylight bathes the helm and social areas in natural light, and a retractable SureShade awning extends shaded living space over the cockpit. Subtle underwater and deck LED lighting create an elevated ambiance after sunset, and Seadek flooring throughout provides cushioned, non-skid underfoot luxury.

Entertaining is at the heart of this design: the signature fold-down beach door platform instantly enlarges the cockpit into a seamless, open-air lounge, complemented by generous aft U-shaped seating and a convertible sunpad. A fully equipped wet bar and outdoor galley—featuring an electric grill, refrigerator, sink and ice maker—make onboard catering effortless, while a premium Fusion/JL Audio sound system fills both the bow lounge and cockpit with rich sound. The bow area is appointed with a dedicated table, windlass and supportive armrests to foster relaxed gatherings at anchor.

The centerline helm seats three in comfort with excellent sightlines, and the navigation package is particularly robust: an upgraded Garmin dual-screen

suite is paired with Simrad dual 12 inch displays, providing intuitive operation with the reassurance of redundant, best in class electronics. Below decks a surprisingly spacious cabin accommodates longer escapes with a salon dinette that converts to a berth, a full galley for provisioning and a generous mid cabin berth for privacy. An en suite head with separate shower delivers true yacht level conveniences, ensuring you step ashore refreshed after a day cruising, a Bahamas hop, or an extended weekend aboard.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
