## OVERVIEW

---

The 420 Outrage blends sumptuous comfort, proven offshore capability, and forward-looking innovation into a singular flagship center console designed for effortless coastal cruising and lively entertaining. A broad foredeck offers plentiful lounging, while a smartly transformable helm and cockpit shift to suit the moment; the refined below-deck cabin with a private head completes the picture, making this model equally at home as a center-console sportfish, offshore cruiser, luxury dayboat, or weekender/express cruiser for memorable days with family and friends. Power is exhilarating and precise thanks to quad Mercury Verado 350s paired with Joystick Piloting, and the SeaKeeper gyro-stabilization system delivers remarkable steadiness both at rest and underway. The helm seats six and reconfigures in seconds to face forward or aft, and a push-button cockpit sunshade covered in premium black Sunbrella canvas extends shaded comfort with the touch of a button. A private head features an electric Vacu-Flush toilet, an enclosed shower and a rainfall fixture, while below a spacious V-berth cabin offers 7 feet of headroom and two curated décor schemes. When fishing demands more room, a foldaway aft bench clears the cockpit for expanded fish-fighting space. Integrated electronics and control systems—Mercury SmartCraft VesselView, power steering, and digital throttle/shift—ensure seamless command, and the Dynamic Running Surface with auto-adjusting trim tabs refines performance and ride quality in every sea condition.
