OVERVIEW

Preliminary listing — 2023 De Antonio D42

Take command of the water in the 2023 De Antonio D42, a vessel that melds performance, innovation, and refinement into a single, striking composition. This walkaround dayboat-cum-luxury express cruiser presents crisp, contemporary European lines and an uninterrupted silhouette courtesy of its ingeniously concealed triple outboards, which deliver a clean aesthetic, simplified maintenance, and a remarkably quiet, composed ride.

Expansive decks invite both repose and revelry, offering seamless walk around circulation, generous fore and aft sunpads, and a convivial cockpit centered around a sleek wet bar. A convertible dining area adapts to the occasion—perfect for sundowner cocktails or languid coastal passages—while the hardtop supplies welcome shade without diminishing the open air enjoyment. Thoughtful appointments, premium finishes, and intuitive flow render this performance outboard yacht as eminently practical as it is beautiful.

Below, a luminous, modern cabin draws the outside in with abundant natural light and refined materials. A well equipped galley and enclosed head enhance onboard comfort, and the carefully appointed accommodations make overnight stays effortless, lifting the D42 from dayboat to genuine weekender. Advanced navigation electronics and a premium sound system heighten every voyage, and the yacht's crisp handling instills confidence—whether during spirited sprints or relaxed harbor hops.

Equal parts style and substance, this contemporary walkaround is designed for day cruising, island hopping, elegant entertaining, and effortless coastal adventures.
