DETAILED DESCRIPTION

Bow

The bow of this yacht is meticulously outfitted to elevate your nautical adventures. It includes a generous anchor locker, equipped with a windlass for seamless anchor handling. Moreover, a washdown system is incorporated to keep the bow area pristine and free from debris. For your convenience, the windlass can be controlled via foot pedals for hands-free operation or remotely from the bridge, offering both flexibility and ease. This array of features guarantees that anchoring is both efficient and straightforward, enhancing your enjoyment on the water.

Flybridge

The flybridge of this yacht is crafted to blend comfort with practicality, offering an outstanding spot for both navigation and leisure. It includes two helm chairs that deliver a commanding perspective, along with generous seating and storage space ahead of the helm. The helm itself is fitted with single lever electronic engine controls, ensuring smooth and precise maneuvering. For navigation, the flybridge is equipped with an extensive array of electronics, such as a Garmin GPS MAP XSV, a Ritchie compass, and two VHF radios: the IC-M502 and the Standard Horizon Eclipse. Additional navigational tools include the Hummingbird Helix 5, Furuno Navtex MX-300, and the Furuno GP-7000 C-MAP, all of which enhance your ability to navigate with assurance. The Simrad AP22 autopilot further eases steering, making cruising effortless. Entertainment is well-catered for, with ten JL speakers delivering premium sound across the flybridge. To keep refreshments within easy reach, a new refrigerator has been installed, ensuring this area is as functional as it is opulent.

Cockpit

The cockpit of this yacht exemplifies exceptional design, seamlessly blending functionality with comfort for the dedicated mariner. It boasts generous cockpit hatches that offer extensive storage, ensuring all your equipment is neatly organized. The engine room is easily accessible, featuring a molded sink for added convenience. For those who appreciate refreshments while on the move, a cool box and a new cockpit freezer are readily available, with a tackle locker above the cool box to keep your fishing gear in order. The cockpit is fitted with task lighting, facilitating operations in dim conditions. A seawater pump and freshwater washdown system, along with a shower wand providing both hot and cold water, make cleaning effortless. The livewell is ideal for keeping your catch fresh, and six rod holders in the gunnels offer ample space for your fishing rods. Rupp double spreader outriggers enhance your fishing potential, while the transom door and swim platform with a stainless ladder provide easy water access. To round off the experience, JL Audio speakers deliver premium sound, making the cockpit not only functional but also a delightful spot to unwind and enjoy the ocean.

Salon and galley

The salon and galley of this yacht are crafted to provide an opulent and cozy living area, ideal for both unwinding and hosting guests. The salon boasts an L-shaped sofa with a table, complemented by dinette seating and a beautifully crafted teak dining table, offering plenty of room for dining and socializing. The new carpeting adds a touch of sophistication, while the 16,000 BTU reverse cycle air conditioning maintains a pleasant atmosphere in any climate. For entertainment, the Fusion MS-UD750 audio system, featuring AM/FM, JL audio speakers, a CD player, amplifier, subwoofer, and Clarion speakers, delivers an

outstanding auditory experience. Sliding windows on both the port and starboard sides allow natural light and fresh air to enhance the ambiance. The galley is fully outfitted to satisfy all your culinary desires, with a two-door upright refrigerator and separate freezer, a U-Line icemaker, a dishwasher, and a two-burner electric cooktop. A microwave/convection oven and an exhaust fan add to the convenience, while ample storage cabinets and drawers keep everything neatly organized. The Sony flat screen TV offers additional entertainment options, and the pantry on the port side provides extra storage space. For added convenience, a Splendide washer/dryer and linen storage are included, along with a 110 VAC central vacuum system to keep the area immaculate. This blend of features ensures the salon and galley are not only practical but also a delightful retreat on the water.

Master stateroom and head

The master stateroom and head of this yacht provide a haven of comfort and seclusion, crafted with exceptional attention to detail. The focal point of the stateroom is a queen-sized walkaround bed, complete with an innerspring mattress for supreme comfort and generous storage underneath. The room includes illuminated hanging lockers, keeping your wardrobe organized and easily accessible. Entertainment is readily available with a flatscreen TV and remote, allowing you to relax in style. The climate is expertly managed by a 16,000 BTU air conditioning system, offering both reverse cycle heating and cooling to maintain a comfortable atmosphere throughout the year.

The master stateroom features a private entrance to the master head, enhancing its exclusive feel. The head is tastefully designed with a shower stall that includes a glass partition, offering a spacious and contemporary bathing experience. A new Vacuflush toilet adds to the convenience and functionality of the space. This array of features ensures that the master stateroom and head are not only practical but also a luxurious escape, providing an ideal mix

of comfort and elegance.

Guest stateroom

The guest stateroom on this yacht is carefully crafted to ensure your guests enjoy both comfort and convenience. It can accommodate up to three individuals with side-by-side berths, including a bunk bed, and provides storage space beneath for personal items. The room is fitted with a hanging locker that includes lighting, allowing guests to easily organize and access their clothing. A private entrance to the guest/day head enhances privacy and convenience, enabling guests to use the facilities without disturbing others.

The guest head is tastefully designed with a shower stall featuring a glass partition, offering a contemporary and spacious bathing experience. The VacuFlush toilet contributes to the efficiency and comfort of the area. This blend of features ensures that the guest stateroom is not only practical but also a welcoming and comfortable haven for your guests, providing them with a delightful stay on board.

Electrical and mechanical

The electrical and mechanical systems of this yacht are expertly crafted to ensure both reliability and efficiency while at sea. The yacht is fitted with four new 200AH batteries, offering substantial power storage, paired with an automatic 40 AMP battery charger and a battery paralleling system for seamless power management. The Onan generator EQD 11.5KW, equipped with a sound shield, provides quiet and efficient power generation, while a dedicated 70 AH generator battery with a master switch adds extra reliability. Mechanically, the yacht is driven by a Cummins 8.3 liter 6CTA 480CE engine, ensuring consistent performance. The Onan generator EQD 11.5KW further supports the yacht's power requirements. Fuel capacity is generous, with a

main fuel tank holding 473 gallons and an additional forward fuel tank of 143 gallons with a fuel pump, allowing for extended voyages. Climate control is handled by two CruiseAir 16,000 BTU air conditioning units and one CruiseAir 7,000 BTU unit, ensuring a comfortable atmosphere throughout the yacht.

Safety and functionality are emphasized with a fire suppression system for the engine room, hydraulic steering for precise control, and two Nibral four-blade propellers for optimal propulsion. The yacht also features AC pumps, bilge pumps, a new fresh water pump, and battery chargers to maintain operational efficiency. A water heater and fresh water hose enhance the onboard amenities, ensuring all your needs are met while cruising. This comprehensive array of electrical and mechanical features ensures a smooth and pleasurable yachting experience.
