OVERVIEW

MARINETTE, a 2019 SABRE 42 Salon Express measuring 42 feet LOA, is a well-regarded cruising yacht that blends poised performance with inviting livability for weekends or longer passages. Located in Miami, Florida, she presents a thoughtfully arranged interior, generous seating, and a helm designed for confident operation, all wrapped in a sleek, timeless profile with the brand's hallmark craftsmanship. A dependable, family-friendly two-cabin layout delivers the comfort and luxury expected from Sabre Yachts.

Pride of ownership shows, with professional, top-to-bottom servicing completed in preparation for sale—ready to impress at survey.

Her slip is also reasonably for sale in a prominent luxury condo facility in Aventura, Florida.

MARINETTE

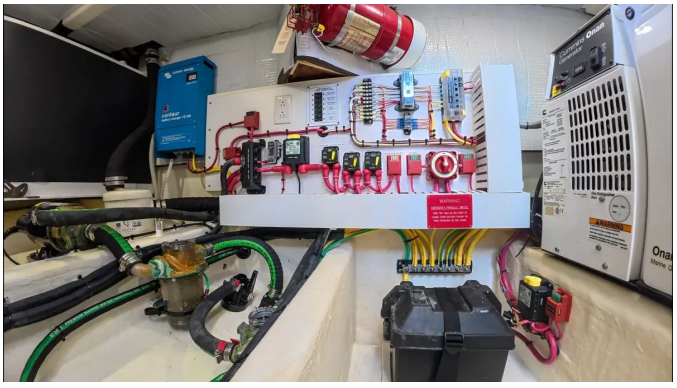

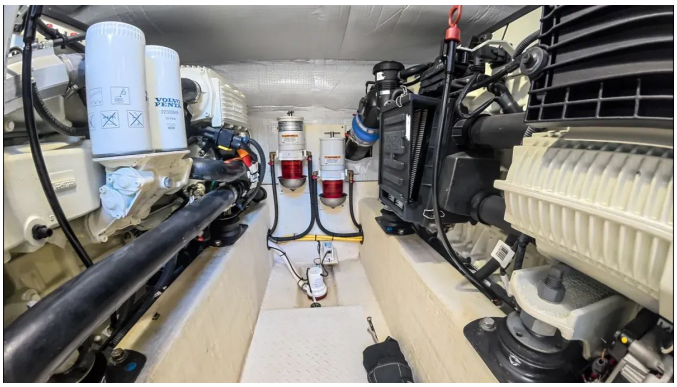

DETAILED DESCRIPTION

August 2026 Yard Services

MARINETTE is a 2019 SABRE 42 Salon Express with an overall length of 42 ft. In August 2026 she received bottom paint and a hull polish; exterior varnish and a deck polish; service to the main Volvo engines at 660 hours and servicing of the Volvo pods; propeller service and balancing with Prop Speed applied; a full air conditioning acid flush; generator service including heat exchanger service; and a full interior and exterior detail. Shestakov Yacht Sales.

Notable Features and Options

MARINETTE is a 2019 SABRE 42 Salon Express with a 42 ft LOA. The hull presents Flag Blue with Sabre White decks and contrasting Beige antiskid. Propulsion is provided by upgraded Volvo IPS 500 drives featuring Volvo Active Corrosion Protection and Volvo Interceptor trim tabs; joystick driving is available with a joystick installed on the dash and the autopilot integrated into the helm displays. The vessel is equipped with a Dynamic Positioning System and a Sabre exhaust by-pass. Electronics include a Garmin package with two 8617 Garmin/Volvo multi-function displays. Systems and conveniences comprise a Reverso oil change system and a fresh water wash down forward. Interior and deck appointments include a custom high-gloss varnished folding table in the salon that lowers to coffee table height, custom Ultraleather upholstery in the main salon, and a Kahlenberg chrome horn.

Hull

MARINETTE showcases a refined modified deep-V planing hull, featuring a 16° deadrise at the transom and 23° deadrise amidships. The exterior presents an ISO NPG white gelcoat with a vinylester backup resin for lasting beauty and

durability. The bottom, topsides, and transom are crafted from VIP resin-infused biaxial E-glass with Corecell SAN foam core, while the stringer system employs biaxial E-glass with foam core. A VIP resin-infused swim platform provides a molded-in anti-skid surface and an under-mount ladder for ease of access. The hull is equipped with hull side rubbing strakes, a PVC rub rail with a stainless steel cap, a painted double boot top, and a gold recessed cove stripe, completing a distinguished and cohesive profile. Shestakov Yacht Sales

Deck & Hardtop

MARINETTE, a 2019 SABRE 42 Salon Express with a 42 ft LOA, presents an exterior of ISO NPG gelcoat over VIP resin-infused biaxial E-glass with a balsa core. The deck surfaces are molded-in anti-skid, while the salon features sliding windows in the cabin sides, a stainless steel bi-fold aft salon door, and drop-down windows in the aft bulkhead on both port and starboard. Access and egress are provided by a helm door to the side deck and a flush, outward-opening transom door with latch. Two anchor lockers with slam latches and a lazarette hatch outfitted with gas struts and compression latches complement the arrangement, and handrails are installed at each corner on the cockpit coaming. A large engine room hatch in the main salon is secured with a compression latch.

Deck Hardware

MARINETTE is a 2019 SABRE 42 Salon Express featuring a 1 1/4" diameter type 316 stainless steel perimeter rail system. Deck fittings include six 12" stainless steel cleats, two forward and four mid-ship, two bollard cleats in the aft cockpit coamings, a 10" stainless steel cleat to starboard of the windlass for anchor rode tie-off, two custom cast stainless steel mid-rail line chocks, and two

custom cast stainless steel skene chocks forward. The bow presents a stainless steel pulpit with dual anchor roller and a burgee staff on the bow pulpit. Anchoring equipment comprises an electric rope chain type anchor windlass. Deck joinery and fittings in teak feature a flag staff and socket on the taffrail, a teak table in the cockpit, teak toe rails, and a teak cabin side eyebrow. Ventilation and light are provided by three Lewmar low profile polished aluminum hatches with screens on the cabin house top, two Lewmar low profile polished aluminum hatches with blinds on the pilothouse top, and six custom stainless steel opening portlights. Additional deck equipment includes a custom cast stainless steel "SABRE" logo, a raw water washdown system at the bow, and a Kahlenberg single chrome air horn. Shestakov Yacht Sales.

Helm Station

MARINETTE is a 2019 SABRE 42 Salon Express equipped with a triple windshield wiper system featuring electronic washers and controls, a Ritchie compass, and switch controls for the horn, running lights, anchor light, engine room blower, and optional equipment. The helm showcases a Stazo 400mm custom teak steering wheel with a tilt helm and Sabre logo, two Stidd N-series single helm seats upholstered in Ultraleather fabric with footrests, and an NMEA 2000 backbone. Shestakov Yacht Sales

Helm Electronics

The 2019 SABRE 42 Salon Express MARINETTE features Garmin navigation and communications electronics, including an AIS 800, a GMR 424 open array radar, a GPS 19x, two 8617 multifunction displays, a Garmin card reader, and a Garmin 315 VHF, complemented by a Volvo Autopilot Reactor 40. Shestakov Yacht Sales.

Propulsion

MARINETTE is energized by Volvo IPS 500 propulsion, boasting 650 hours as of January 2025. Each engine is equipped with a 120A, 12V alternator, and the installation includes two exhaust by-pass mufflers, an engine room blower, and engine room vent ducts. The engine room floor features FRP anti-skid, while the space is finished in white gelcoat. A Mylar-faced foam noise barrier is installed, and a Reverso oil change pump is provided.

Fuel System

MARINETTE carries two 190-gallon diesel fuel tanks, one on the port side and one on the starboard, connected through Racor fuel filters equipped with water-in-fuel probes. Fuel is dispensed via two 2-inch deck fill plates labeled "Diesel."

Steering & Trim Systems

MARINETTE, built in 2019 by SABRE as a 42 Salon Express, is equipped with a Volvo Dynamic GPS Positioning System. An autopilot is interfaced with Garmin multifunction displays, and Volvo joystick driving is fitted, featuring slow-speed operation, single-lever control, and cruise control software.

12V DC Electrical Systems

MARINETTE, a 2019 SABRE 42 Salon Express, is equipped with a 12V DC electrical system featuring two AGM Group 31 dedicated engine start batteries, four Full River DC250 6 volt AGM deep cycle ship’s service batteries, and one AGM Group 24 generator start battery. Remote control battery switches reside with helm controls, complemented by a manual emergency battery crossover

switch. An illuminated main circuit breaker distribution panel is mounted on the bulkhead opposite the galley, and a digital battery monitor is fitted.

Lighting comprises LED cabin reading lights, high output LED overhead lights, tri color lights over the helm station, LED strip lighting in appropriate locations, LED engine room lighting and LED cockpit courtesy lights. Dimmers are installed in the cockpit, main salon, galley and staterooms. The vessel is wired with marine grade tinned wire throughout, and 12V DC USB ports are fitted at the helm and in all cabins.

12V AC Electrical Systems

MARINETTE, a 2019 SABRE 42 Salon Express, is equipped with an Onan 9.0 kW generator with approximately 680 hours as of January 2025, featuring an Onan E Series display, a dedicated start battery, a water drop muffler, a cooling water intake strainer, and a sound shield. The AC system includes a 120/240V transfer switch rated at 50A, a 75' shore power cord for 50A service with a Glendinning cord reel, and an isolation transformer, all monitored at an illuminated main circuit breaker distribution panel and by a digital AC system monitor. Convenience and safety features comprise a single 120V outlet in each cabin and one in the engine room, GFI protection for all galley and head receptacles, and additional outlets located for entertainment systems in the main and forward cabins. Charging equipment consists of a 60A, three battery Victron charger and a Victron 30A charger. Climate control is provided by reverse cycle heat/air conditioning in three zones: 16,000 BTU in the main salon, 10,000 BTU in the master stateroom, and 12,000 BTU serving the guest cabin and galley.

Entertainment Media

The 2019 SABRE 42 Salon Express MARINETTE is outfitted with a Fusion Black Box system featuring Bluetooth and remote controls at the helm and in the cockpit. Audio is presented through four speakers—two in the main salon and

two in the cockpit—powered by a 10" Kicker amplifier. Visual entertainment includes a 32" LED TV mounted on an electric lift inside a cabinet in the main salon, and 24" LED TVs in the staterooms, with HDMI cables routed from each TV to the storage area starboard of the lower lounge. A Glomax digital TV antenna is installed.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
