OVERVIEW

ATTITUDES makes her market debut as a 42-foot express sportfisher by Daniels Boatworks, conceived and commissioned by an experienced owner who previously campaigned two Spencer sportfishing yachts and specifically chose Kurt Daniels for this bespoke project. Built in Wanchese, North Carolina—the epicenter of American custom boatbuilding—this 42 Daniels exemplifies the celebrated Carolina pedigree: an exceptional ride, outstanding performance, uncompromised fishability and timeless beauty that only a true North Carolina sportfisherman’s yacht can deliver. Naval architecture from Steve French accommodates straight-shaft Cummins QSM11 diesels rated at 715 horsepower, producing a comfortable cruise of 30 knots at roughly 65% load while consuming about 42 GPH, and a top speed around 38 knots. The original owner already has another Daniels under construction, making this impeccably maintained 42 Express available; cared for to an extraordinarily high standard by a full-time captain—an uncommon level of stewardship for a vessel of this size—ATTITUDES presents throughout in near-Bristol condition.

DETAILED DESCRIPTION

Notable features

Built from 100% composite foam-core construction, this yacht pairs lightweight strength with refined engineering and is propelled by a Cummins QSM11 rated at 715 HP mated to a ZF straight-shaft transmission for assured, efficient performance. Smooth, comfortable passages are supported by a Seakeeper 6, while a Pipewelders full tower with outriggers and center rigger—added in 2023—dramatically expands sportfishing capability and sightlines. Miya Epoch US-9 teasers with tower-mounted remotes place precise control at the helm, and a full teak cockpit appointed with a Bluewater battle station/chair creates a premium workspace for serious anglers. Long-range self-sufficiency and exceptional onboard water quality are delivered by a Dometic Seaexchange watermaker alongside a Dometic Spotzero system, with an Electrosea sea strainer system ensuring dependable cooling flow, and an Eskimo Ice chipper rounding out the cockpit outfitting for productive, sophisticated outings.
