DETAILED DESCRIPTION

Key Features and Updates

This remarkable yacht is driven by pristine white quad 350 Mercury engines, with only 240 hours logged, and has recently completed its 300-hour maintenance. The vessel is protected by a transferable Mercury Platinum Warranty, valid until August 1, 2025, offering the owner peace of mind. Outfitted with a Seakeeper 6 gyro, the yacht delivers exceptional stability, while the FLIR night vision system enhances safety and navigation during nighttime excursions.

Entertainment and comfort are top priorities, with a JL Audio sound system delivering superior audio quality throughout the yacht. The vessel is equipped with a joystick featuring Skyhook technology for effortless handling, and an electrically operated beach platform for easy water access. A Panda Fischer generator provides dependable power, supported by new batteries for peak performance.

For fishing enthusiasts, new Taco Marine carbon fiber outriggers are included, boosting the yacht's angling capabilities. The vessel also features an electric aft shade and a manual forward shade, offering flexible sun protection options. Both the cabin and helm are fitted with air conditioning, ensuring comfort in any climate.

The yacht is further enhanced by a Lumishore underwater lighting system, creating a breathtaking visual effect below the waterline. Aft-facing mezzanine seating provides an ideal spot for relaxation and socializing, making this yacht a perfect choice for both leisure and adventure on the open seas.

Accommodations

This yacht presents an opulent and meticulously designed living area, crafted to deliver both comfort and convenience while at sea. It is powered by quad Mercury Verado 350 HP engines and includes an extended warranty, offering assurance and peace of mind. The Seakeeper system significantly boosts stability, ensuring each voyage is smooth and pleasurable.

The yacht is equipped with a versatile beach platform, ideal for effortless water access, and aft-facing mezzanine seating that provides a cozy spot for relaxation and social interaction. A walk-through transom facilitates easy movement throughout the vessel, while the V berth provides a snug sleeping space for peaceful nights.

To further enhance comfort, the yacht is fitted with air conditioning, maintaining a pleasant atmosphere in any weather. The stand-up shower adds a home-like convenience, and the cockpit grill is perfect for alfresco dining and entertaining. Every aspect of this yacht's accommodations has been carefully curated to elevate your experience on the open waters.

Deck

The deck of this yacht is a stunning example of design excellence and utility, seamlessly merging comfort with practicality. Upholstered in Brisa, you can choose your desired color scheme, adding a personal touch. The 360-degree bolster cushions offer both comfort and safety, while the eight pull-up flush mount cleats and stainless steel flush mount gunnel rod holders enhance the yacht's sleek look and functionality.

Below deck, there is an aft under-deck systems room and a midships systems room, allowing easy access to vital components. The port and starboard floor fish boxes with overboard diaphragm discharge provide efficient storage and disposal for your catch. Additional storage is found in the port aft transom, and

the three-person aft-facing cockpit seat offers a cozy spot for relaxation.

The yacht features an aerated transom baitwell and a full transom walk-thru platform with a dive ladder, making it perfect for fishing and aquatic activities. The powder-coated patented hardtop with a curved glass enclosure shields you from the elements, while the side boarding door on the port side and transom access door offer easy entry and exit.

For power requirements, the electric retractable 50-foot Glendinning shore power cable supplies 50 amps, and there are two retractable fresh water hoses and a retractable cockpit raw water hose for convenient cleaning. The deck is fitted with a horn, windshield wiper, and freshwater wash, ensuring visibility and cleanliness.

LED lighting brightens the storage boxes, hatches, and areas under the hardtop and gunnels, creating an inviting atmosphere. Gas shock-assisted hatches and transom flush mount rod holders enhance the deck's functionality. The single-level deck includes a sliding sunroof hatch for hardtop access, and the leaning post features tackle drawers and an AC outlet.

The cockpit is outfitted with a sink and cutting board, forward glove boxes with a charging station, and forward cooler and gear storage boxes. The forward sun lounge dry box storage and under-gunnel rod storage on the starboard side offer ample space for all your needs. The eco-teak swim platform, transom door, bow table, and helm footrest add a touch of sophistication, while the cushioned helm standing pad ensures comfort during navigation.

Hull

The hull of this yacht exemplifies cutting-edge engineering and exceptional craftsmanship, crafted to provide outstanding performance and longevity. With a double-stepped design, it boosts speed and efficiency by minimizing drag, enabling smoother and swifter navigation. Constructed with a vacuum

bagged epoxy infusion method, the hull is not only lightweight but also remarkably strong and resilient. This advanced technique is also applied to the hardtop, ensuring robust and durable overhead protection.

The yacht features a recessed powder-coated coaming rail, enhancing its sleek and polished look while providing extra safety and comfort. Integrated Bennet hydraulic trim tabs with indicators allow for precise control and adjustment of the vessel's trim, improving stability and performance in diverse sea conditions.

A Seachest water manifold thru-hull system is included, ensuring efficient water management and distribution across the yacht. The self-bailing deck is another well-considered feature, designed to swiftly and effectively clear water from the deck, maintaining a dry and secure environment. Every element of the hull's design showcases a dedication to quality and innovation, guaranteeing an exceptional yachting experience.

Electronics

The yacht's electronics suite is crafted to deliver state-of-the-art technology and seamless connectivity, enhancing your maritime adventures. Central to the system is the CZONE digital switching, offering intuitive management of the yacht's various systems. The helm is outfitted with three Garmin 8215 displays, providing detailed navigation and system data at your fingertips. To maintain constant connectivity, a Garmin helm WiFi router is installed, facilitating easy access to online resources and communication.

Entertainment is elevated with a Fusion stereo system featuring Bluetooth control, complemented by a forward deck stereo remote for easy access. The audio experience is further enriched by eight strategically placed Fusion 7-inch component speakers on the deck and a JBL sound bar in the cabin, all powered by a Fusion amplifier. An AM/FM antenna mounted on the hardtop ensures clear radio reception, while a 12V plug and USB connection provide versatile

charging options for your devices.

Navigation is supported by a Richie magnetic compass and dimming courtesy lights under the bolster and hardtop, creating ambient lighting. The yacht is equipped with navigation lights and forward and two aft molded-in LED spreader lights, ensuring visibility and safety during nighttime voyages. Power is reliably supplied by AGM batteries and two battery chargers, ensuring all systems remain operational. This comprehensive electronics package ensures that every journey is both enjoyable and efficient.

Cabin

The cabin of this yacht is a haven of comfort and modern amenities, crafted to transform every journey into a luxurious escape. It boasts a robust 12,000 BTU air conditioning system, ensuring a refreshing and pleasant atmosphere even on the hottest days. The galley is elegantly equipped with a two-burner glass stove and a microwave, simplifying meal preparation. A drawer refrigerator and a galley sink enhance functionality, making storage and cleanup effortless. Entertainment is easily accessible with a wall-mounted 32-inch TV and a DVD player, offering various options for relaxation and enjoyment. The cabin also includes a high/low electric release marine teak table, adding versatility to the space. For sleeping arrangements, two single beds can be converted into a queen-sized bed, providing both flexibility and comfort.

The enclosed shower area with a sump and the enclosed head with a full-size toilet and hot/cold sink ensure that all the comforts of home are available on board. The cabin features an 18-gallon holding tank with overboard discharge, offering convenience and efficiency. Port and starboard windows with privacy shades allow natural light to filter in while maintaining privacy.

Additional features include storage for four fishing rods, stainless steel accents throughout, and LED accent lighting that creates a warm and inviting

ambiance. An AC outlet is available in both the head and berth, ensuring all your electronic devices can be easily charged. This cabin is meticulously designed to offer a seamless blend of luxury and practicality, making it the ideal retreat on the water.

Others

The yacht boasts a variety of additional features that significantly enhance both its functionality and onboard comfort. Included is an anchor windlass washdown hose, which allows for easy cleaning of the anchor and chain after use. The water heater supplies hot water for various purposes, adding a homely touch to your sea voyages. A dependable Kohler generator powers the yacht's electrical systems, ensuring all onboard systems remain fully operational.

For extra convenience, the yacht is equipped with an electronic bow table with a cushion filler, providing a flexible space for dining or relaxation. The Lewmar windlass, complemented by helm windlass controls and bow foot switches, offers effortless management of anchoring tasks. The stainless steel Lewmar anchor, chain, and rode guarantee secure and dependable anchoring in diverse conditions.

These well-considered enhancements make the yacht not only a symbol of luxury but also a model of practicality, ensuring that every voyage is as comfortable and efficient as possible.

Disclaimer

The company offers the information about this vessel with sincere intent, aiming to deliver precise and dependable details. Nonetheless, it cannot assure or guarantee the accuracy of this information or the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously

examine any specifics they wish to confirm. It is crucial to understand that this vessel is available subject to prior sale, price adjustments, or removal from the market without prior notice.
