OVERVIEW

The BAVARIA VIRTESS 420 FLY marries sumptuous comfort with lively performance, its broad flybridge presenting twin helm seats alongside a generous sun pad that can be transformed into additional companion seating. Below, abundant volume and a crisp, contemporary exterior define the VIRTESS line among premium flybridge motor yachts, offering an open, convivial and elegantly appointed cruising environment.

Driven by Volvo Penta IPS with intuitive joystick control and showing just 400 low engine hours, this luxury cruiser is tuned for effortless handling. A hydraulic swim platform with remote, the included tender, and advantageous LLC ownership complete this planing flybridge yacht, a composition of power, poise and modern style for the discerning cruising enthusiast.

DETAILED DESCRIPTION

Disclaimer

The details of this yacht are offered in good faith; however, accuracy cannot be guaranteed and no warranty is made regarding the vessel's condition. This yacht is offered subject to prior sale, price change, or withdrawal from the market without notice. The information is presented as a convenience by the listing broker to clients and is not intended to constitute direct representation of a specific yacht for sale.

Overview

The VIRTESS 420 FLY from BAVARIA marries premium luxury with confident, athletic performance, crowned by an impressively expansive flybridge that features a double helm seat for two and an adjacent sun lounger that folds to create an additional passenger seat. Below deck a breathtaking sense of space harmonizes with refined, contemporary styling above, defining the VIRTESS line as a singular presence in the premium motor-yacht segment. Underway, Volvo Penta IPS with joystick control delivers precise handling and efficient thrust, and this example shows only 400 engine hours. A hydraulic swim platform with remote control extends living space at the water's edge, a tender is included for effortless shore runs, and the yacht is LLC owned—an exceptional opportunity to step aboard a thoroughly modern flybridge distinguished by design, dynamics, and ease of operation.
