## OVERVIEW

---

The 1995 Ocean Yachts 42 Sportfish is a classic convertible sportfisherman with a flybridge, renowned for its assured offshore lineage and a deliberately tournament-ready layout. She offers an expansive cockpit, a thoughtfully organized flybridge helm, and an inviting two-cabin interior—equally suited to relentless angling endeavors and leisurely cruising as an elegant motor yacht.

# DETAILED DESCRIPTION

---

## Description

---

1995 42' Ocean Sportfish that embodies Ocean Yachts' three-decade legacy of crafting stylish, attainable Super Sport models, this convertible unites luxurious interiors with spirited offshore performance to satisfy both tournament competitors and cruising families. Equally at home chasing trophies on the circuit or stretching out for extended family passages, she features a clever two-stateroom layout anchored by a welcoming deckhouse level where the salon flows seamlessly into the dinette and galley to create a bright, social heart aboard. Her serious cockpit underscores the Sportfish pedigree with a transom livewell, in-deck fish boxes, and direct engine room access for quick, clean service, while an underwater exhaust system refines the experience by reducing noise and keeping cockpit fumes to a minimum.

## Upgrades

---

Thoughtful, name-brand upgrades have been executed with a tournament skipper's focus and a cruising family's comfort in mind. In September 2021 the helm received a fresh soundtrack with a new Fusion stereo and four JL Audio speakers, while new LED lighting brightened life aboard. February 2022 brought all-new reupholstered cushions to the bridge seating area, followed in April 2022 by an updated Marine Ansul engine-room fire suppression system. The navigation suite took a major leap in May 2022 with two new Garmin 8612 displays, a new Garmin autopilot, and a new 4 kW Garmin radar. In June 2022 two Pompanette ladder-back helm chairs were installed, joined by a new ACR searchlight with remote control. August 2022 saw the mechanical heart refreshed with a new genset and in-frame rebuilds of both the port and starboard engines. Practical safety and cruising enhancements continued into

2023 with a 500' anchor rope with anchor in March 2023, five new marine fire extinguishers in February 2023, a new EPIRB in May 2023, and a new six-person Viking RescYou survival liferaft in June 2023. Rounding out reliability and comfort, five seacocks were replaced in April 2024, and the air-conditioning serving the salon and staterooms was renewed that same month. A Standard Horizon VHF radio complements the communications suite.
