OVERVIEW

The most efficient and cost-effective way to own a high-speed powerboat is here! This stylish yacht, with minimal hours on the clock, is primed for exhilarating adventures on the open water. It includes a custom cover and a brand-new trailer for easy transport.

While it could use a thorough cleaning and some upholstery updates, these are minor touch-ups to restore its pristine condition. A new gimbal bearing has been fitted on the port outdrive, and the starboard outdrive requires the same simple upgrade. This is a straightforward enhancement for such a remarkable yacht.

Additionally, there's potential to boost its engine power, offering an opportunity to elevate its performance even further. This is a rare chance to buy a yacht that combines speed, performance, and affordability.
