OVERVIEW

Request our most competitive pricing on this impeccably appointed Flybridge Motor Yacht — a refined luxury cruiser and capable offshore passages-maker designed for effortless days underway and graceful evenings at anchor. Propulsion comes from twin Cummins QSB6.7 diesels (2 x 312 kW/425 hp) paired with an electronic joystick docking package for precise low-speed handling, while a Garmin navigation suite with Fantom 18x radar and a 12" GPSMAP display provides confident situational awareness; night and low-light operation is further aided by a deck-mounted searchlight, LED spotlight, and striking underwater lights.

The interior is tailored for indulgent cruising in a US spec two cabin, two head arrangement finished in rich Wenge, enhanced reading lamps, and the Art de Vivre lifestyle package, with tropical spec US air conditioning ensuring comfort year round. Entertainment and galley utility are factory-integrated with a TV and complete 115V pre-fit alongside a stainless steel refrigerator freezer. Up top, the flybridge hosts a Glacier finished galley complemented by a stainless framed sun awning and a full set of white covers, all included in the North American flybridge pack.

Exterior appointments elevate outdoor living: Glacier cockpit upholstery, Marlin Weiss accents, an elegant convertible PVC cockpit table, ambient courtesy lighting, a Glacier bow sunpad cover, and an opening portside window fitted with mosquito screens and charcoal mesh exterior curtains. Practical seamanship gear includes an anchoring kit, mooring kit, forward pulpit fender storage, automatic fire extinguisher, rope cutters, and a hydraulic swim platform, with bottom paint and PropSpeed applied to the running gear. Equally at home as a Flybridge Yacht, Motor Yacht, or premium Family Cruiser, this vessel blends luxury, capability, and style in perfect balance.
