Experience Unmatched Elegance on the Waves: 2023 43 ft Yacht Available in Israel

Embark on a journey aboard this exquisite 2023 yacht, a true marvel of design and craftsmanship, now on the market in the scenic waters of Israel. Stretching 43 feet in length with an ample 11-foot beam, this vessel offers an extraordinary adventure on the high seas, merging style with superior performance.

Constructed from premium fiberglass and plastic, the yacht's hull not only guarantees longevity but also enhances its visual allure. The composite deck is an invitation to soak up the sun or host guests with flair, providing an ideal backdrop for memorable occasions. Whether navigating the coastline or mooring in a tranquil cove, this yacht seamlessly combines luxury with comfort.

The interior is expertly designed to optimize space and light, creating a welcoming environment for unwinding. The yacht includes a well-equipped head, ensuring convenience for you and your guests throughout your journeys. Every element has been carefully curated, from the sumptuous seating to the refined finishes, establishing this yacht as a true haven on the water.

Powered by a robust engine, this vessel ensures smooth voyages and thrilling explorations, whether you're uncovering hidden inlets or enjoying a relaxed day at sea. Situated in Israel, the current boat location offers a dynamic setting for your maritime adventures, with breathtaking vistas and rich cultural experiences ready to be explored.

This yacht is more than just a vessel; it is an invitation to embrace a life of luxury and liberation. If you're in the market for a yacht that epitomizes grace and capability, this 2023 model is an exceptional option. With yacht sales

thriving in the current boat location, now is the ideal moment to seize this chance and claim this magnificent yacht as your own.

Immerse yourself in the ultimate nautical experience and elevate your waterborne adventures. Don't let this extraordinary yacht slip away—your dream of opulent living is within reach!

# DETAILED DESCRIPTION

---

## Section name

---

This yacht boasts an extensive selection of additional equipment and features, ensuring a smooth and pleasurable sailing journey. It includes both a road trailer and a launching trailer for effortless transport and launch. The Bimini Top provides protection from the elements, offering shade and comfort throughout your travels.

The onboard electrical system is tailored to fulfill all your power requirements, featuring a shore power inlet and an inverter, guaranteeing dependable power access at any docking point. The yacht's electronic suite is extensive, comprising a depth sounder, radar, log-speedometer, and radar detector. Additionally, it includes tools for measuring wind speed and direction, repeaters, and a navigation center, all crucial for safe and efficient navigation. The plotter, radio, compass, and GPS further enhance your navigational prowess, while the CD player and cockpit speakers offer entertainment options. Communication is simplified with the VHF radio.

Within the yacht, you'll discover a bow thruster for enhanced maneuverability, an electric bilge pump for effective water management, and a hot water system for added comfort. A sea water pump is also provided, catering to various onboard needs.

The exterior equipment and extras are crafted to elevate your outdoor experience. The teak cockpit and sidedecks impart a sense of elegance and durability, while the cockpit shower provides convenience after a swim. A cockpit table is also available, ideal for alfresco dining or socializing with guests.

This yacht is a perfect fusion of practicality and luxury, equipped with everything necessary for an unforgettable sailing adventure.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
