## OVERVIEW

---

MI VIEJI, a 2006 Azimut 43 Flybridge, embodies the hallmarks of Azimut's distinguished flybridge range, blending refined Italian styling with lively performance, dependable seakeeping and intuitive onboard comfort. Her sleek profile and thoughtfully engineered layout make her equally suited to relaxed family voyages and entertaining guests in style.

Measuring 12.9 metres overall with a 4.22 metre beam, MI VIEJI delivers unusually generous interior volume for yachts in this category. The accommodation layout comprises two well appointed staterooms and two heads, anchored by a spacious owner's cabin and a flexible guest cabin, together providing exceptional comfort for owners and visitors alike.

The main salon is bright and welcoming, flowing seamlessly into a compact yet fully equipped galley to create a convivial and highly functional living space aboard. Above, the flybridge helm enjoys superb sightlines and easily converts into an alfresco lounge, while the lower helm located within the salon ensures composed, comfortable passage making in varying conditions.

Expansive deck seating invites relaxation and conversation while underway, making MI VIEJI an ideal companion for coastal cruising. Constructed in composite and finished in classic white, she reflects Azimut's exacting craftsmanship and timeless design language.
