OVERVIEW

Experience the pinnacle of yachting refinement with this exquisite vessel, now offered for sale at the current boat location, where timeless design meets meticulous engineering. Every inch of her interior and exterior speaks of comfort and convenience, beginning with reliable air conditioning that gently moderates the onboard climate and a built-in refrigerator that keeps provisions crisp and ready for indulgent days at sea.

Her handling and systems are equally thoughtfully appointed: a bow thruster lends exceptional maneuverability in tight harbors, while an efficient boiler provides dependable warmth when needed. Navigation is effortless and precise thanks to an advanced GPS and an intuitive chart plotter that put comprehensive route information at your fingertips, complemented by an auto pilot that allows you to relax as she holds her course. A dependable depth sounder keeps you informed of the waters beneath, and an electric windlass makes raising and lowering the anchor a simple, smooth operation.

This yacht for sale is a harmonious fusion of elegance and practicality, an ideal option for anyone looking to buy a yacht in the current boat location. Explore the local yacht sales market and seize the opportunity to make this magnificent vessel your own.

DETAILED DESCRIPTION

Section name

This yacht is equipped with a comprehensive array of modern amenities and technical features designed to enhance your maritime experience, with a climate control system that guarantees comfort in any weather and a refrigerator that keeps provisions fresh throughout your voyage. Maneuvering is effortless thanks to the bow thruster, which provides precise control in tight marinas and crowded anchorages, while the onboard boiler supplies hot water to add a touch of everyday luxury. Navigation becomes simple and trustworthy with an integrated GPS chart plotter delivering accurate positioning, and the autopilot system relieves the strain of steering so you can relax and enjoy the open water. For those who explore beneath the surface, the depth sounder offers valuable insight into underwater topography, and anchoring is made straightforward by the electric windlass that makes securing the vessel quick and reliable. Culinary needs are easily met with the inclusion of a microwave for fast and convenient meal preparation, and safety remains a priority with a fire extinguisher onboard to ensure peace of mind. Seamlessly combining technical sophistication with comfortable living, this yacht is an ideal choice for seasoned sailors and newcomers to the yachting world alike.
