## OVERVIEW

---

### Jeanneau's DB43

Experience the pinnacle of opulence with the Jeanneau DB43, an exquisitely designed cruiser ideal for day excursions, week-long getaways, or extended journeys. Tailored for both veteran mariners and novices, this yacht provides a seamless and delightful experience for solo adventurers or family trips. With thrilling speeds approaching 40 knots, the DB43 guarantees an exhilarating journey. Its remarkable stability, courtesy of a Michael Peters-designed hull and a factory-installed Sea Keeper, ensures a smooth voyage. The DB43's elegant and refined profile sets it apart from other yachts in its category.

The helm is designed for three, featuring dual seating at the starboard driving station and a single seat on the port side. A retractable hardtop separates the helm from the cockpit, where a central island is equipped with a refrigerator, ice maker, stove, grill, and storage, all within an air-conditioned environment. The cockpit offers flexible seating options, including forward-facing seats for dining or lounging, and a nearly full-beam teak dining table. A drop-down television above the center island provides entertainment for those seated aft. Enhancing the aft cockpit area, port and starboard terraces unfold for swimming or enjoying sunrise and sunset vistas. The bow provides sunbathing space for three and seating with a table, which can be shaded with a sun tarp. Below deck, a corridor leads to the forward master suite with an island bed and a Jack & Jill door to the head. The starboard side houses a head and access to the aft stateroom. The corridor also features a microwave, refrigerator, and storage drawers. Conveniently located battery, generator, and tank controls ensure straightforward operation.

The head includes a dry shower, vanity, and toilet. The aft stateroom features a starboard couch and a port-side queen bed, with an option to create a larger sleeping area. With outboard power and a shallow draft, the DB43 is easy to

handle, aided by a joystick at the helm and a bow thruster. Powered by a diesel Onan generator in a soundproof cabinet, this yacht offers whisper-quiet operation. Explore yacht sales in the current boat location and seize the chance to acquire a yacht that epitomizes elegance and performance.
