DETAILED DESCRIPTION

Description

GOT WOOD is a 2023 EVO YACHTS R4 boasting an overall length of 43 ft. She showcases Italian design by naval architect Valerio Rivellini and Evo's XTension hydraulic side terraces, which expand the cockpit by 40% to create an enlarged waterfront entertainment area. The yacht is equipped with a hydraulic Transformer swim platform that extends and rotates to serve as a boarding gangway, swim ladder, diving platform, or tender lift. With sleek contemporary lines, luxurious finishes, and performance oriented engineering, GOT WOOD offers a seamless connection to the water and versatile use of the deck spaces. Shestakov Yacht Sales.

Electronics

GOT WOOD, a 2023 EVO YACHTS R4 spanning 43 ft, is outfitted with AIS, autopilot, cockpit speakers, compass, depthsounder, GPS, log-speedometer, navigation center, plotter, radar, radar detector, radio and VHF. Shestakov Yacht Sales.

Inside Equipment

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft. The interior outfitting includes air conditioning and heating, hot water, a refrigerator, a microwave oven and an oven, and a marine head with an electric head and a manual bilge pump supplemented by an electric bilge pump. Electrical systems incorporate a battery charger. Systems for onboard comfort and operation include a fresh water maker, a sea water pump and a bow thruster.

Additional Equipment

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft, featuring joystick control, underwater lights, and a walk around.

Outside Equipment / Extras

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft, outfitted with cockpit cushions, a cockpit shower and a cockpit table. The vessel includes a hydraulic bathing platform, hydraulic gangway, hydraulic swim step and hydraulic winch, along with a swimming ladder. Deck areas showcase teak in the cockpit and teak sidedecks.

Covers

Electrical Equipment

GOT WOOD is a 2023 EVO YACHTS R4, with a length overall of 43 ft, and its electrical equipment includes a generator, an inverter, and a shore power inlet.

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft, featuring EVO signature XTensions hydraulic expanding side terraces and a Hydraulic Transformer multifunction swim platform with teak decking and remote control. A steel T-top provides extended overhead coverage, while premium teak on the cockpit, aft platform and walkways is accented with black caulking. The cockpit includes electric tables and a retractable aft table, and an aft sunpad with integrated storage. Systems and interior upgrades include an upgraded Fusion Apollo high-performance audio system, 16,000 BTU air conditioning, and upgraded

genuine leather interior finishes. Accommodation and galley arrangements comprise a second cabin with a queen-size berth and an interior galley with an induction cooktop, plus a wine cooler, ice maker and additional refrigeration. Three underwater transom lights are installed.

Propulsion and Mechanical

GOT WOOD is propelled by twin Volvo Penta IPS 600 diesel engines, each delivering 435 HP, powering Volvo Penta IPS pod propulsion and managed through Volvo Penta joystick maneuvering. The vessel benefits from Volvo Penta's Low Speed System and an active corrosion protection system, complemented by an interceptor system and a hydraulic engine hatch. In terms of electrical and charging capabilities, it features a DC/DC 24V-to-12V, 30A converter along with 12V dual-output and 24V battery charging equipment.

Navigation and Helm Electronics

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft, equipped with two 12-inch Volvo/Garmin multifunction touchscreen displays, a Volvo Penta autopilot, a Garmin depth sounder, a Garmin VHF radio and a Garmin electronic chart cartridge. The helm features Volvo Penta joystick control, an anchor chain counter and a contemporary helm console with a Hydrocoating surface, complemented by customizable upholstered helm seating. Shestakov Yacht Sales.

Electrical and Entertainment

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft. A 3.5 kW generator and a 2,000W inverter provide onboard power support. The yacht's audio system centers on a Fusion Apollo MS-WB670 stereo with a high-performance audio upgrade that includes one pair of Audison interior speakers, two pairs of Hertz exterior

speakers, a JL Audio subwoofer, and a Hertz amplifier included with the standard audio configuration. Video and antenna provisions include an LED mirror television with antenna and associated system. Interior lighting features reading lights and an illuminated companionway staircase.

Cockpit and Exterior Entertainment

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft, whose cockpit and exterior entertainment features include EVO XTensions hydraulically operated side terraces that expand the cockpit beam to approximately 20 feet 8 inches. The cockpit and side walkways are finished in teak with black caulking, and teak is also used for gunwales and bow accents, while the aft platform continues the teak decking. The cockpit houses an electric table integrated into the cockpit sofa and an electrically operated retractable aft cockpit table, and an aft fiberglass sun pad provides integrated storage. Additional exterior amenities comprise a cockpit shower, a stainless steel and teak swim ladder, exterior upholstery available with customizable finishes, and six Polyform HTM3 fenders.

Hydraulic Transformer Platform and Deck Equipment

GOT WOOD, a 2023 EVO YACHTS R4 of 43 ft, features a hydraulic Transformer gangway and platform with a teak surface, conveniently operable by remote control. The deck arrangement includes a hydraulic anchor locker opening and a hydraulic tilting anchor roller, complemented by an electric anchor windlass and a stainless steel anchor. Hydraulic access to the engine compartment is provided. Three underwater transom lights and a stainless steel flagpole are installed, and the vessel carries custom fender covers, quick connections and mooring lines. Shestakov Yacht Sales.

Hardtop and Weather Protection

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft, featuring a steel T-top and a T-top extension, enhanced by protective crystal enclosure panels, a helm console cover, and a full custom cockpit cover.

GOT WOOD is a 2023 EVO YACHTS R4, 43 ft, featuring a two-cabin arrangement plus an additional aft cabin with a queen-size bed. The interior presents a convertible dinette with an electrically operated table that transforms into an extra sleeping area, an interior sofa with aft storage, and one enclosed bathroom. Interior appointments include upgraded genuine leather cabinetry and finishes, fabric and eco-leather upholstery, a contemporary illuminated stainless steel and plexiglass staircase, and reading lights throughout. Climate is provided by a 16,000 BTU air conditioning system. Shestakov Yacht Sales.

Galley and Refrigeration

GOT WOOD, a 2023 EVO YACHTS R4 spanning 43 ft, presents an interior galley furnished with a sink, an induction cooktop, and a microwave oven. For chilled and beverage storage, it includes a 12-bottle wine cooler, an ice maker, a 17 gal. exterior drawer refrigerator, and an additional 11 gal. drawer refrigerator.

Plumbing and Onboard Systems

GOT WOOD is a 2023 EVO YACHTS R4, LOA 43 ft. Its plumbing and onboard systems feature a freshwater pressure system supplemented by a backup pump, a blackwater holding tank equipped with a macerator, showers in the cockpit and the anchor locker, a freshwater capacity of 105 gallons, and a fuel capacity of 264 gallons. Shestakov Yacht Sales.

Safety and Deck Accessories

GOT WOOD, a 2023 EVO YACHTS R4 measuring 43 ft, is equipped with six adult 150N life jackets, a lifebuoy and floating safety equipment, emergency signaling gear, a first aid kit, and a boat hook. Deck protection and mooring gear comprise six Polyform HTM3 fenders with custom fender covers and mooring lines. Shestakov Yacht Sales.
