# OVERVIEW

---

In just thirty seconds, sleek and streamlined lines evolve into a state-of-the-art nautical wonder. A simple tap grants you access to your personal island retreat.

## Make a Statement with the Bow

The bow is meticulously designed to preserve its immaculate appearance, with a large locker that subtly stores cleats, anchor, and fenders beneath the deck. The hydraulic system for the anchor locker reduces noise, while the innovative lifting nose design keeps the anchor securely in place.

## Chart Your Course and Set Sail

The helm station, set within a beautifully crafted teak panel, is designed for a quick and responsive steering experience in a pleasant setting, featuring a large windscreen and an ultra-comfortable seat. Set your navigation systems, take the helm, and get ready for an exciting voyage.

## Share the Beauty of the Sea

The R4 is crafted for enjoying different times of the day on the water. The sturdy teak cockpit offers adaptable configurations to suit your lifestyle.

This area can be equipped with a kitchen that includes a sink and induction hobs, a barbecue or Teppanyaki grill, an electric retractable table, and comfortable sofas and poufs.

The aft sun deck can hold up to eight sunbeds with soft cushions and foldable deck chairs. Enhance your comfort with a T-Top or various awnings for shade.

A 180-liter icebox, luxurious leather seating, and a high-end S Fusion audio system with four speakers and a subwoofer create the perfect setting for a stylish party on the sea.

## Powerful Engines with Exceptional Efficiency

The R4 can be equipped with two powerful engine options: the Volvo Penta IPS

600 with 435 HP or the Volvo Penta IPS 500 with 370 HP. The hull's 18-degree deadrise angle ensures remarkable fuel efficiency, offering a range of 300 nautical miles.

With a simple touch, the hydraulic XTensions bulwarks open in 30 seconds, turning the beach area into a spacious 270 square feet terrace. This versatile space can be a lounge, sun deck, or open area for celebrations, ensuring you always make an impression.

The sun deck can also include a Transformer platform that rotates 270 degrees for easy boarding and disembarking, diving, or simply enjoying the water up close.

Explore yacht sales in your current boat location and seize the opportunity to buy a yacht that embodies luxury and performance.

# DETAILED DESCRIPTION

---

## Section name

---

In a mere 30 seconds, sleek and streamlined contours evolve into a cutting-edge maritime masterpiece, granting you the luxury of a private island at your command. The bow of this yacht is expertly crafted to preserve its pristine lines, featuring a spacious locker that subtly conceals the cleats, anchor, and fenders beneath the deck. The hydraulic mechanism for the anchor locker minimizes noise, while the innovative lifting nose design ensures the anchor remains secure during use.

The helm station, elegantly integrated into a smooth teak panel, offers a swift and responsive steering experience. It is enhanced by a large windscreen and an exceptionally comfortable seat, providing a delightful environment for navigation. With the navigation systems ready, you can take the helm, verify your course, and gear up for an exhilarating journey.

This yacht is designed for sharing memorable moments throughout the day. The robust teak cockpit offers versatile configurations to match your unique lifestyle. It can be outfitted with a kitchen that includes a sink and induction cooktops, a barbecue or Teppanyaki grill, an electric retractable table, and plush sofas and poufs. The aft sun deck can accommodate up to eight sun loungers with floating cushions and foldable deck chairs. For additional comfort, you can choose a T-Top or various awnings for shade.

A 180-liter icebox, luxurious leather seating, and a premium S Fusion audio system with four speakers and a subwoofer create the perfect setting for a chic gathering on the waves. The yacht can be powered by one of two robust engines: a Volvo Penta IPS 600 with 435 HP or a Volvo Penta IPS 500 with 370 HP. The hull's 18-degree deadrise angle ensures impressive fuel efficiency, providing a range of 300 nautical miles.

With a simple touch, the hydraulic XTensions bulwarks open in 30 seconds, transforming the beach area into a 270 square feet terrace. This versatile space can serve as a lounge, sun deck, or open area for celebrations, ensuring you always make an impression. The sun deck can also feature a Transformer platform that rotates 270 degrees to facilitate boarding and disembarking, diving, or simply enjoying the water up close.

## Specification

---

This yacht represents a pinnacle of engineering and design, delivering an exhilarating experience on the water with a top speed of 32 knots. Measuring 43 feet in length, it offers generous space and comfort for everyone on board. The propulsion system boasts an impressive 870 horsepower, guaranteeing powerful and efficient travel across the waves. A remarkable feature of this vessel is its extendable surface, which can expand by 40%, offering additional room for relaxation and entertainment.

Capable of accommodating up to 12 guests, this yacht is ideal for hosting events or enjoying a day on the water with family and friends. With a fuel tank capacity of 554 gallons, your adventures can continue without the need for frequent refueling, allowing for longer journeys and exploration. Every aspect of this yacht is crafted to enhance your time on the water, seamlessly blending performance, luxury, and practicality into one extraordinary package.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
