# DETAILED DESCRIPTION

---

## Introduction

---

The 43 SSC from Formula Boats is a true Crossover Sport Boat, elegantly uniting the open sociability of a bowrider, the purposeful utility of a center console, and the overnight comfort of a cabin cruiser to deliver the best of all worlds. It carries the marque's hallmark precision in performance and handling while pairing an open bow with a well-appointed cabin for effortless day cruising that readily transitions into relaxed overnighting. This particular 43 SSC is distinguished by brand new Mercury Quad 450R outboards showing just 15 hours and backed by warranty, an irresistible blend of thrilling power and peace of mind. A broad, flush cockpit encourages easy movement and gracious entertaining, setting the tone for refined versatility everywhere on board.

## Features and amenities

---

Thoughtfully curated for seamless days on the water, the 43 SSC features the SmartZone layout with nearly 40 linear feet of uninterrupted cockpit space and a side console helm, naturally dividing the deck into distinct zones for lounging, dining, and easy passage. At the helm, multiple Raymarine GPS/chartplotters integrate with digital switching, while Mercury SmartCraft provides comprehensive vessel monitoring and joystick piloting optimizes control with the outboards. Below, cabin comforts abound with a queen berth in the aft stateroom, a convertible forward dinette, a full galley, and a private stand-up head, complemented by entertainment systems including TVs and premium audio. On deck, wrap-around bow seating, inviting sun loungers, and an outdoor cockpit kitchen with refrigerator, sink, and grill make hosting effortless, supported by extensive storage, plentiful drink holders, and

convenient USB ports. Luxury flourishes—from refined finishes and elegant Corian surfaces to LED lighting above and beneath the waterline, plus versatile enclosures and sunshades—elevate every moment aboard. The yacht benefits from a completed 20-hour service and the confidence of new Mercury 450 Quad R's with full warranty.

## Performance and power

---

Performance is emphatically assured by Quad Mercury 450R outboards, delivering authoritative acceleration and confident cruise. Fine-tuned handling is further enhanced by joystick control, active trim, and stabilizers, bringing precision to tight quarters and poise to open water. A deep-V hull and generous fuel capacity support long-range ambitions and assured offshore manners, with actual range dependent on load, speed, and prevailing conditions.

## Aft cockpit

---

The aft cockpit is meticulously equipped for seamless days afloat, featuring a Gateau Grill for al fresco cooking and a convenient stereo control head to set the soundtrack. A port locker houses the battery switches, while a fresh-water engine flush, cooler discharge, and a shore cord reel streamline end-of-day routines. Dockside water hook-up and an exterior shower heighten practicality, complemented by a Dometic cool let box control for precise chilling. The starboard sun pad lifts to reveal generous storage beneath, and sound carries richly through two 7.7-inch JL speakers. Poise at anchor is elevated by the Seakeeper, bringing a welcome stillness to the scene.

## Lounge area

---

Amidships, the lounge invites effortless hospitality with storage thoughtfully tucked beneath the starboard seat and a chill plate discreetly positioned under the port bench. A power lift dining table rises at a touch for leisurely meals, while manual overhead retractable window shades tailor light and privacy. The soundscape is immersive through six 7.7 inch JL speakers and one 10 inch JL subwoofer, and the bar area elevates the experience with an Isotherm refrigerator and a dedicated sink. A 40 inch removable TV brings entertainment wherever it's wanted, and a slide out cooler beneath the helm bench keeps refreshments at hand.

## Bow area

---

Forward, the bow transforms from serene sun lounge to social hub with power lift tables that rise to host, then stow to open space. A stereo control head sets the mood up front, while ample under seat storage keeps the area clear. Retractable poles deploy elegant sunshades, and the acoustic presence is confident with four 7.7 inch JL speakers and one 10 inch subwoofer. Protection is comprehensive with a full boat cover and dedicated window covers when the day is done.

## Cabin / aft

---

Below, the aft cabin provides a serene retreat with a queen berth, while forward the dining area converts swiftly into a comfortable berth to welcome additional guests. Storage is neatly arranged beneath the bench seating, and onboard systems are intuitively managed via iPad controller, dedicated AC control, and a stereo head control. Entertainment feels cinematic on the 43 inch Samsung TV, and a full head with separate shower ensures privacy

and comfort worthy of a much larger yacht.

## Galley

---

The galley is a polished culinary atelier, featuring a 42 inch Samsung TV with a Bose sound bar for immersive viewing, paired with a Samsung DVD player for expanded entertainment. Practicality meets refinement with a microwave and sink, a single burner Kenyon hot plate for deft cookery, and a Vitrifrigo pull out refrigerator that keeps provisions perfectly chilled.

## Additional equipment

---

A comprehensive suite of options underscores the yacht's premium pedigree: AB 110 voltage; Mercury Quad 450R's with 15 hours and warranty; an 11 kW Kohler generator; Seakeeper 5K6 alongside a Seakeeper 6 gyro stabilizer; a black hull gelcoat with multi color complete cowl 400R, air dam in Chrome Illusion, and a front cowl in Black Onyx Metallic; cockpit Corian in Anthracite with painted deck and cockpit, plus Anthracite Corian in the alcove and on the cabin door. Soft goods include linens, towels, and a Formula Flex bedspread. Navigation and awareness are bolstered by chart/radar twin Axiom XL 24, a FLIR M324S thermal camera, a premium theft deterrent system, Sirius Weather, and US maps. Shorepower 120/240V (standard) supports hotel class amenities such as a cockpit HDTV with Blu ray player and a satellite TV HD system TV3, complemented by a Keurig coffee maker. Entertaining is effortless with an aft cockpit cooler featuring fridge/freezer coil and a 240V aft cockpit electric grill; sanitation is handled by Vac HD with holding tank and macerator. Security and detail touches include an electronic safe, titanium speaker covers in cockpit and cabin, bow docking lights, a tow eye with shackle guard, and fender clips. The dramatic presentation continues with a full glass wing windshield with side wings, a VHF radio with motorized antennas, a painted

hardtop, underwater multi color LED lights, and painted electronics. Lifestyle versatility is enhanced by stand up paddle board racks, a vent cap drink holder/rod holder, a cockpit/swim natural teak vinyl deck, and an M Sand over teak footrest and helm mat, rounded out by color coordinated canvas and track, a black SureShade (standard), a black aft enclosure (standard), a black light duty bow cockpit cover, and a black painted windshield.

## **Exclusions**

---

Exclusions include, but are not limited to, all owner's personal items. A detailed list of exclusions will be provided at the time of sale upon written request.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
