OVERVIEW

This immaculate Intrepid 438 Evolution, a true gem in the yacht market, is the only recent 438 model currently available for acquisition. With merely 111 hours of use and never having been utilized for fishing, it remains in flawless condition. It boasts factory-installed extras such as additional helm air conditioning, a stern thruster, fresh bottom paint, Seadeck decking, and comprehensive aft covers, all added in late 2021.

Why wait 18 months for a new Intrepid when this extraordinary yacht is ready for you now? Delve into yacht sales at the current boat location and seize the chance to own a vessel that epitomizes luxury and sophistication.

DETAILED DESCRIPTION

Section name

This yacht exemplifies the pinnacle of contemporary marine design, featuring a multitude of elements that guarantee both opulence and practicality. Recently upgraded with fresh bottom paint and a stern thruster in November 2021, it ensures seamless and effective cruising. The onboard router and internet booster, also updated in November 2021, keep you connected wherever your travels lead. For entertainment, the JL Audio enhancements provide an outstanding auditory experience.

The deck is elegantly finished with Seadeck decking, installed in November 2021, offering both aesthetic appeal and comfort. Anglers will value the rocket launcher and rod holders, also added in November 2021, making it an ideal choice for fishing excursions. An aft cover, fitted in the same month, provides both protection and privacy.

Safety and stability are of utmost importance, with features like FLIR night vision and a Seakeeper gyro stabilizer ensuring a secure journey. Additional air conditioning at the helm keeps the captain at ease, while the transom door and dive platforms allow easy water access. The vessel's build includes tinned wiring, navigation lights, and three automatic bilge pumps, ensuring dependability and safety.

The digital 12v breaker panel control system and guttered cockpit hatches with a self-draining cockpit enhance the yacht's functionality. Constructed with PVC foam core vacuum-bagged materials and non-woven, multi-directional, and uni-directional fibers, all meticulously hand-laid, the yacht is both sturdy and lightweight. Deck and springline cleats, a bow eye, and an integral motor bracket contribute to its practical design.

The non-slip deck and gunwales, along with an aluminum fuel tank and

heavy-duty vinyl rubrail, ensure longevity and ease of upkeep. Trim tabs and a pressurized fresh water system boost the yacht's performance and comfort. The insulated fishbox starboard aft with a transom ball valve and macerator, raw water washdown, and dockside fresh water inlet meet all your fishing and cleaning requirements.

Shore power with a battery charger and a folding swim ladder add convenience, while the forward recessed deck skylight bathes the interior in natural light. The yacht includes an electric head and a macerator for the holding tank, along with a spacious private head compartment with a separate shower for ultimate comfort.

The galley is outfitted with a sink and microwave, complemented by wood veneered cabinetry and solid surface countertops. An electric hot water heater ensures warm showers and meals. The custom helm seat with dual pedestal electric adjustment offers comfort and control.

The accommodations are lavish, featuring a queen berth forward, complete with bedspreads and pillow shams, and a private stateroom aft starboard. Integrated hullside port lights and cabin lights create a cozy and welcoming ambiance, making this yacht a genuine sanctuary on the water.

Disclaimer

The company offers the information about this vessel with genuine intentions, but it cannot ensure or confirm the precision of the details provided, nor can it guarantee the vessel's condition. Potential buyers are advised to employ their agents or surveyors to meticulously examine and verify any specifics they consider essential. It is crucial to understand that this vessel is on the market with the potential for prior sale, price changes, or removal from the market without advance notice.
