# DETAILED DESCRIPTION

---

## Section name

---

The Pursuit S428 is an extraordinary yacht that effortlessly blends the practicality of a fishing vessel with the opulence of a cruiser. Managed by a captain and kept in impeccable condition, this boat has been stored on a lift since its arrival. It is driven by four Yamaha 425 XTO engines with integrated electronic steering, having only 157 hours of operation and protected by a warranty until March 2027. Supporting this power is a Cummins/Onan 9kw diesel generator with 200 hours, ensuring dependable power for all onboard amenities.

The SeaKeeper 6 gyro stabilizer guarantees stability and is under warranty until March 2026. The yacht's exterior is captivating, with a Neptune Grey hull accented by a white boot stripe, and the upholstery is tastefully done in Sea Salt. Navigation and safety are enhanced with Garmin chartplotters, a Fantom 54 radar, AIS, a rear-facing camera, and XM weather features. For entertainment, the yacht boasts upgraded JL AUDIO M6 speakers, MVi amplifiers, and a Fusion RA-770 head unit.

Additional amenities include a FLIR camera and Lumitec Razor light bars on the hardtop, a factory-installed bow tow eye, and a cockpit air conditioning system with a retractable sun shade and a bow Mediterranean-style sun shade. The yacht also features a starboard in-floor refrigerated fish box, hardtop rod holders, and unused Taco carbon fiber outriggers. For fishing aficionados, there are electric reel outlets on both port and starboard sides, and a 3-sided Makralon helm enclosure that remains unused. Forward seating with an electrically actuated backrest and Mate Series rod/cup holders enhance the comfort and convenience of this remarkable yacht.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
