OVERVIEW

The only 43' Release Express Sportfish on the market, Double Down is a seasoned, fish-raising Walkaround that marries tournament-capable performance with the refined comforts of a cruising yacht. Meticulously maintained to an exceptional standard, she is poised to draw attention at the Fort Lauderdale International Boat Show this fall, with professional photography forthcoming. This is a boat that makes an impression whether you're chasing billfish or enjoying a coastal passage.

Anglers will value the genuine 360-degree walkaround deck that provides secure, confident access to every fishing station when the action is on offshore. The ride is composed and assured, while tasteful finishes and thoughtful detailing announce her pedigree as a premium Fishing Yacht. Teak decking and a teak caprail lend classic Sportfishing character and a touch of luxury underfoot and along the sheer.

Propulsion is provided by twin Cummins 600 HP diesels, with the 1,000-hour service already completed, ensuring dependable performance and peace of mind. Command and visibility are exceptional courtesy of an upper bridge station complemented by a climate-controlled lower helm, and a clear enclosure protects the cockpit while preserving sightlines. A full Garmin electronics suite is installed at both helms for integrated navigation and fish-finding, and the fishing package includes outriggers, a custom cockpit livewell, and a generator to support long days on the water or extended cruising.

Below decks Double Down is arranged for comfortable overnighting and extended escapes: a fully air-conditioned cabin, a practical galley, an enclosed head, a forward V-berth, and additional bunks for guests or crew make extended trips straightforward and enjoyable. Currently located in Massachusetts, she is scheduled to head south to Fort Lauderdale for

showings and FLIBS, facilitating inspections for buyers along the eastern seaboard. The owner will consider trades, offering flexibility for the right purchase.

Do not miss the chance to own this rare 43' Release Walkaround—an elite Express Sportfish crafted for offshore adventure and elegant cruising alike. Inquire to arrange a private viewing and discover why Double Down stands apart in the Sportfish, Express, and Walkaround categories.
