DETAILED DESCRIPTION

Main description

Melding refined luxury, spirited performance, and modern design, WHAT THE HULL is a meticulously outfitted 2020 Tiara 43 LS propelled by three Yamaha XTO 425 outboards for a combined 1,275 horsepower. Designed to accommodate entertaining, coastal cruising, and effortless weekend getaways, the 43 LS bridges the gap between a premium day yacht and a comfortable express cruiser.

The layout is purposefully open, with expansive social areas and workmanship that speaks to Tiara's attention to detail. A generous cockpit aft invites relaxation with convertible lounge seating and a cockpit table positioned steps from the swim platform for easy water access. Boarding and deck work are straightforward thanks to a side boarding door and full walkaround decks, while the hardtop delivers welcome shade and dependable protection from the elements.

At the helm, a contemporary command center puts controls and navigation within easy reach, featuring Garmin touchscreen electronics complemented by Yamaha Helm Master joystick controls for precise, low-stress maneuvering. The triple Yamaha XTO 425s supply impressive thrust, reliability, and fuel efficiency whether skimming the Intracoastal, island hopping through the Bahamas, or hosting friends at the sandbar.

Below, the climate-controlled cabin provides comfortable overnight accommodations for two with a private head and thoughtful amenities including a refrigerator and microwave, all finished with premium materials that reflect Tiara's reputation for solid construction and cultivated luxury. Whether you're hosting an intimate gathering, spending the weekend aboard, or cruising into a sunset, WHAT THE HULL captures the performance, elegance,

and versatility that make the Tiara 43 LS one of the most desirable yachts in its class.

Features

Powered by three Yamaha XTO 425 HP outboards for a combined 1,275 horsepower, this yacht delivers exhilarating performance while Yamaha Helm Master® joystick controls simplify precise handling in tight spaces. Garmin touchscreen electronics at the helm place navigation and systems management within easy reach beneath a sleek hardtop with integrated lighting that prolongs a refined evening atmosphere. A generous walkaround deck opens to expansive cockpit seating and purpose-built entertaining zones, enhanced by a side boarding door for convenient access, a swim platform with boarding ladder and a refreshing cockpit shower. Below deck, an air-conditioned cabin provides a tasteful retreat complete with an electric head, microwave oven, refrigerator and hot water system. True to its lineage, the yacht exhibits premium Tiara fit and finish and is built by S2 Yachts in Holland, Michigan.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
