## PRICE REDUCTION!

NEW LISTING... 43 TIARA LE - This exquisite yacht is equipped with triple Yamaha 425 engines, a Seakeeper stabilizer, and joystick control, with just 148 hours logged. It includes two Garmin displays, radar, a bow thruster, and a retractable enclosed helm.

As the first model in its series, the 43 LE embodies the signature traits that Tiara Sport is celebrated for: elegant sport design combined with luxurious features, dedicated social areas, and thrilling performance. The bow area offers a plush chaise lounge for relaxation, while the aft social zone features a versatile rotating lounge with multiple locking positions and a built-in footrest. A fold-down terrace expands the cockpit, offering easy access to the water.

Entertainment is plentiful, with a fully equipped galley, grill, and a high-end sound system. Below deck, you'll find two cozy sleeping areas: a queen island berth and a mid-cabin double berth. A fully equipped head with a separate shower provides all the comforts needed for overnight stays or day trips.

With two unique propulsion package options, the Tiara Sport 43 LE is designed for superior performance. Choose between Mercury or Yamaha engines, paired with the Tiara Sport integrated electronics package, offering remarkable power and control at the helm. This yacht presents a prime opportunity for those seeking to purchase a yacht in the current boat location, making it a standout choice in the local yacht market.

## Section name

---

Presenting the newly available 43 Tiara LE, now offered at a reduced price! This remarkable yacht is outfitted with triple Yamaha 425 engines, delivering an exhilarating and robust performance on the water. With just 148 hours on the engines, this vessel is nearly new and primed for exploration. The 43 Tiara LE combines sporty design with opulent features, making it a leader in its category.

The yacht is equipped with a Seakeeper for enhanced stability, joystick control for effortless handling, and two Garmin displays for sophisticated navigation. It also includes radar and a bow thruster, boosting its navigational prowess. The retractable enclosed helm ensures comfort and protection from the elements, providing a delightful experience for everyone on board.

As the inaugural model in its series, the 43 Tiara LE highlights the brand's dedication to merging sporty aesthetics with luxury. The bow area invites relaxation with a plush chaise lounge, while the aft social zone features a rotating lounge with multiple locking positions and an integrated footrest. For water enthusiasts, a fold-down terrace extends the cockpit, offering better access to the sea.

Entertainment is a key focus in this yacht's design, featuring a well-appointed galley, grill, and high-end stereo system. Below deck, there are two sleeping quarters: a queen island berth and a mid-cabin double berth. A fully equipped head with a separate shower ensures all the comforts needed for overnight stays or day trips.

The Tiara Sport 43 LE provides two distinct propulsion package choices, allowing selection between Mercury or Yamaha engines. Paired with the Tiara Sport integrated electronics package, this yacht offers outstanding power and

control at the helm. Whether you seek relaxation or adventure, the 43 Tiara LE is crafted to surpass expectations.

## Propulsion

---

This yacht's propulsion system is driven by three powerful Yamaha engines, each being the XF425SA2 model, offering an impressive 425 horsepower per engine. These outboard-4S engines are crafted for peak performance and efficiency, operating on gasoline. The first two engines have logged just 148 hours, while the third has slightly less at 144 hours, reflecting their nearly new condition and readiness for long journeys. This formidable trio guarantees that the yacht not only meets but surpasses expectations in speed and dependability, delivering an exhilarating and seamless experience on the water.

## Specifications

---

The yacht features remarkable dimensions, with a total length of 43.5 feet and a beam of 13 feet, offering generous space and stability on the water. It has a maximum bridge clearance of 11.17 feet and a draft of 3.42 feet, making it adaptable to a variety of water conditions. Weighing in at 22,100 pounds when dry, the yacht is built to be sturdy and durable.

Crafted with a 21-degree deadrise at the transom, this yacht ensures a smooth and comfortable journey, even in rough waters. The vessel is outfitted with a well-designed tank system, including a fresh water tank with a 60-gallon capacity, a fuel tank that can hold up to 400 gallons, and a holding tank with a 40-gallon capacity, allowing for extended trips without frequent refueling.

The onboard accommodations are carefully planned, featuring two cabins and one head, ensuring comfort and privacy for overnight guests. This yacht perfectly combines size, functionality, and luxury, making it an excellent choice

for both relaxing cruises and exciting adventures.

## Other details

---

The company shares the details of this vessel with the intention of providing precise and thorough information. Nonetheless, it cannot assure or guarantee the accuracy of these details or the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously examine any aspects they wish to confirm. It is crucial to understand that this vessel is available subject to prior sale, price adjustments, or removal from the market without prior notice.

A standout feature of this yacht is its sophisticated steering system, which incorporates joystick control. This technology significantly improves maneuverability and simplifies handling, making navigation more intuitive and enjoyable for the operator.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
