OVERVIEW

Presenting the 2021 43ft Intrepid, a stunning yacht that masterfully combines luxury, high performance, and cutting-edge technology. Powered by three Yamaha 425hp engines with minimal usage and warranty coverage until March 2026, this vessel is perfect for both relaxing cruises and exciting fishing trips. Seamlessly chart your course with twin Garmin displays, an open array radar, FLIR, and autopilot, while the Sea Keeper 6 stabilizer ensures a calm and steady journey on the water. The cockpit is crafted for enjoyment, featuring a retractable sunshade, illuminated live wells, a wet bar with a grill, and a foldable aft bench seat. Inside, you'll find a cabin with custom wood veneer flooring and cabinetry, adding a layer of elegance. Whether you're relaxing on the spacious sun pad at the bow or enjoying the comfort of the fully enclosed, air-conditioned helm seating area, this Intrepid is designed for your utmost enjoyment. Explore new horizons in style and comfort with this adaptable yacht, now available for purchase at its current location. Seize the chance to own a yacht that promises unforgettable moments on the water.

DETAILED DESCRIPTION

Walk Through

The 43ft Intrepid is a premium, high-performance yacht designed for those who seek thrilling adventures on the water. Whether you're planning a getaway to the Bahamas or enjoying a leisurely day cruise, this vessel provides everything needed for an exceptional experience. The spacious cockpit is ingeniously designed with foldaway benches to optimize space and a port-side dive door for easy water access. Outfitted with live wells, fish boxes, and a wet bar complete with a grill, the cockpit is ideal for both fishing and entertaining. A retractable sunshade adds comfort, while a rear-facing seat behind the helm offers extra seating.

The helm station, protected by isinglass from the elements, features twin large Garmin displays with advanced navigation tools like GPS, radar, and sonar. FLIR Night Vision ensures safe nighttime cruising, while bow and stern thrusters simplify docking and tight maneuvers. An upgraded Kohler generator keeps all systems powered during long journeys.

At the bow, a large cushion provides a perfect spot for sunbathing and relaxation, ideal for enjoying the fresh air and stunning views. Below deck, the cabin is crafted for comfort, with 6 feet 4 inches of headroom for easy movement. The galley is equipped with a refrigerator, microwave, sink, and ample storage, making onboard meal preparation a breeze. A cozy dinette opposite the galley offers a place for dining or relaxation and can convert into additional sleeping space if needed. The stateroom, located amidships, features a comfortable double bed and generous storage, while a private head with a shower enhances onboard comfort.

This 43ft Intrepid is powered by triple Yamaha 425hp outboard engines, delivering outstanding speed and reliability. With low engine hours and an

extended warranty until March 2026, these engines are ready for countless more adventures. The SeaKeeper 6 stabilizer system boosts comfort by minimizing roll, ensuring a smooth and enjoyable ride whether in motion or at anchor.

Blending luxury, performance, and cutting-edge technology, the 2021 43ft Intrepid is the ultimate choice for those seeking a remarkable boating experience. Whether cruising, fishing, or relaxing with loved ones, this Intrepid is designed to surpass expectations.

Cockpit

The cockpit of this yacht is both expansive and adaptable, crafted to meet all your desires whether you're hosting friends or enjoying a fishing adventure. The transom includes fold-away seating, allowing you to optimize space as needed. For seamless water access, a port-side dive door with a fold-out ladder is available. Fishing aficionados will value the two live wells thoughtfully positioned in the port and starboard transom corners, along with generous fish boxes for storing your catch. The cockpit also features a 50 Amp Glendening shore power cable and a freshwater flush connection for the engines, ensuring both convenience and efficiency.

On the port side, a wet bar with a grill is perfect for meal preparation while savoring the open sea. An electric retractable sunshade adds extra comfort, letting you unwind in the shade on bright days. Additionally, an access hatch to the generator and Seakeeper ensures that all critical systems are easily accessible. This cockpit is genuinely designed for both relaxation and practicality, making it an ideal setting for enjoying life on the water.

The helm area

The helm area of this yacht is crafted for both luxury and practicality, enclosed

with isinglass to ensure protection in any weather and fitted with air conditioning for extra comfort. Positioned on the starboard side, the helm station is a center of cutting-edge technology and convenience. It boasts two plush helm seats and dual large Garmin displays that provide extensive navigation and control. The Garmin Auto Pilot and Garmin VHF facilitate smooth communication and navigation, while the anchor control switch and trim tab controls with indicators allow for precise handling.

The helm is outfitted with a stainless steel steering wheel and Yamaha electronic throttles, enhanced by the Yamaha engine vessel management system for peak performance. The start and stop switches for the outboard engines, along with the Yamaha key switch, ensure straightforward engine management. For improved safety and maneuverability, the helm features FLIR Night Vision and Side Power bow and stern thrusters. The Seakeeper control head maintains stability, while the Fusion stereo system, combined with a suite of JL Audio speakers, offers outstanding sound quality.

Additional amenities include main battery switches, a Richie compass for navigation, and two stainless cup holders for convenience. A stainless steel Isotherm fridge is situated below the helm seat, providing easy access to refreshments. This helm area is meticulously designed to deliver a seamless fusion of elegance, technology, and functionality, ensuring an unparalleled experience on the water.

Main salon

The main salon is a luminous and welcoming area, crafted to provide both comfort and practicality for extended voyages on the water. At the heart of this space is a snug dinette, which can transform into an extra berth, offering versatility for overnight visitors. On the starboard side, you'll discover stylish cabinets with Corian countertops, a single-burner Kenyon cooktop, and a sink with a stainless steel faucet, all contributing to a sleek and efficient galley.

On the port side, the salon features two stainless steel Isotherm fridge/freezer units, providing ample storage for your provisions. A GE microwave enhances convenience, making meal preparation effortless. The vessel's distribution panel is also situated here, granting easy access to vital controls. The salon's teak and holly flooring adds a touch of timeless nautical elegance, elevating the overall ambiance of the space.

With its contemporary amenities and the ability to convert the dinette into additional sleeping quarters, the main salon is ideally suited for both relaxation and functionality, ensuring a comfortable and delightful experience on board.

Stateroom

The stateroom on the 2021 43ft Intrepid is strategically positioned amidships, providing a secluded and inviting haven for overnight stays. It boasts a plush double bed, guaranteeing peaceful nights while at sea. The area is carefully crafted with generous storage options, facilitating the effortless organization of personal items and ensuring that all essentials are easily accessible. This stateroom seamlessly blends comfort with functionality, making it the perfect refuge for relaxation and renewal during your nautical journeys.

Head and shower

Next to the stateroom, the private head with a shower provides both comfort and practicality, transforming extended voyages into a delightful experience. The separate shower is carefully crafted with a bench seat, offering a serene spot to relax. The Techma head delivers contemporary functionality, while the vanity cabinet provides generous storage for toiletries and personal essentials. An oval stainless steel sink paired with a stylish faucet adds a hint of elegance, merging utility with sophistication. This well-equipped head and shower area

elevates the overall comfort of your sea journey, ensuring all your needs are met with grace and convenience.

Bow

The yacht's bow is crafted with both accessibility and safety in mind, easily accessible from both the port and starboard sides. The white powder-coated bow rails enhance security, offering peace of mind as you navigate the deck. This area is ideal for relaxation, featuring a spacious and comfortable bow cushion perfect for lounging and sunbathing. For seamless anchoring, the bow is fitted with an electric windlass and a stainless steel anchor, ensuring you can secure the yacht effortlessly. This blend of comfort and practicality makes the bow an inviting spot to enjoy the open sea.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
