DETAILED DESCRIPTION

Cockpit

The cockpit of this yacht exemplifies luxury and practicality, crafted to elevate your outdoor lifestyle. Central to this area is an electric BBQ, ideal for open-air dining and hosting gatherings beneath the sky. Enhancing this setup is a fully outfitted outdoor kitchen, complete with upgraded countertops that bring both sophistication and resilience. For those who enjoy a chilled drink, a discreetly integrated Yeti cooler keeps your beverages perfectly cold and within easy reach.

The seating is both adaptable and cozy, featuring a lounge that can be oriented forward or aft, allowing you to take in the scenery from any direction. The engine room is easily accessible, simplifying maintenance and inspections. Additional storage is available in the lazarette, providing plenty of room for all your nautical necessities.

The aft cockpit includes a leaning post, offering support and comfort whether you're steering or simply savoring the journey. Entertainment is readily available with a stereo headunit, ensuring your favorite music is always playing. Strategically placed cupholders enhance convenience, making this cockpit not just a center of activity but also a sanctuary of relaxation and pleasure.

Deck equipment

The deck equipment on this yacht is meticulously crafted to boost both utility and comfort, ensuring a flawless experience on the water. Courtesy lighting is carefully positioned to brighten the deck, creating an inviting atmosphere during the evening. For added convenience, a fresh water washdown system is

included, making it simple to maintain the deck's cleanliness and shine. The sound system is upgraded with premium speakers, letting you enjoy your favorite tunes as you sail.

Electrical needs are expertly handled with a 50amp shore cord from Glenndenning, providing dependable connectivity when docked. A fresh water hookup is also available, ensuring access to clean water whenever required. Entertainment reaches new heights with dual Tracvision satellite TV systems, offering a broad selection of viewing options while at sea.

Storage is plentiful, with multiple compartments designed to keep your items organized and safe. Under-bench cold storage offers a handy spot to keep drinks chilled and ready. The deck also features USB chargers, ensuring your devices stay powered throughout your voyage. Enhancing the space's adaptability, the yacht includes a hi-low electric bow and cockpit table, allowing for easy adjustments to meet your needs, whether dining or unwinding.

Salon

The salon of this yacht seamlessly combines elegance and comfort, serving as both a tranquil escape and a lively gathering spot. Central to the salon is a dinette, offering an ideal space for dining or socializing with loved ones. The area is adaptable, featuring a convertible berth that can quickly turn the space into a snug sleeping area when required.

Natural light pours into the salon through a skylight, creating a bright and spacious ambiance. This is further complemented by expansive port and starboard windows, providing sweeping views and a connection to the surrounding ocean. Entertainment is superbly provided with a TV and sound bar, ensuring top-notch audio-visual enjoyment. Enhancing this setup are cabin speakers, which deliver crisp and immersive sound throughout the salon, making it a perfect place to relax or host guests.

Galley

The galley of this yacht is a meticulously designed area that blends functionality with modern amenities, ensuring you have all you need for culinary adventures at sea. At the heart of the galley is a refrigerator, offering plenty of space to keep your ingredients fresh and ready. Next to it, a sink provides ease for food prep and cleaning, while an electric cooktop allows for the efficient cooking of your favorite dishes.

Storage is cleverly incorporated into the layout, with cupboards offering ample space for all your kitchen necessities. Additionally, dedicated storage for drinkware ensures your glasses and cups are safely stored. Climate control is easily managed with an AC control, allowing you to maintain the ideal temperature while cooking. A microwave enhances the galley's versatility, providing quick and easy meal preparation options.

For extra convenience, a 12v outlet is available, ensuring you can power any additional appliances or devices you might need. This galley is crafted to be both practical and comfortable, making it the perfect space for meal preparation while enjoying your time on the water.

Master berth

The master berth of this yacht is a haven of comfort and seclusion, crafted to offer a peaceful escape on the water. At its center is a full berth, providing plenty of room for relaxation and restful sleep. Entertainment is superbly provided with a TV and soundbar, allowing you to enjoy your favorite programs and music in excellent quality.

Natural light and breathtaking views come through the port and starboard hull-side windows, which also enhance the feeling of space and openness in the berth. For times when privacy is needed, a privacy curtain is available, enabling you to create a private and intimate setting.

Practicality is well considered, with a 12v outlet conveniently placed to power any additional devices you might require. This master berth is carefully designed to be both a luxurious and practical space, making it the ideal spot to relax after a day of adventure on the water.

Main head

The main head of this yacht is a thoughtfully crafted area that merges practicality with comfort, ensuring all your needs are addressed while aboard. Central to this space is a sink, offering convenience for daily tasks, paired with an electric head that provides modern efficiency. Natural light streams in through a porthole, enhancing the atmosphere and connecting you to the outside world.

Storage is plentiful, with cupboards strategically placed to keep your toiletries and essentials neatly organized and easily accessible. For additional convenience, cupholders are available to keep your personal items secure. The main head also includes a shower, offering refreshing moments at sea, and a fold-down bench that adds flexibility to the area.

A towel rack is provided, offering a practical solution for drying and storing towels, while a mirror completes the ensemble, adding both functionality and a touch of sophistication. This main head is designed to be both functional and welcoming, making it an indispensable part of your onboard experience.

Electronics

The electronics suite on this yacht exemplifies state-of-the-art technology and flawless integration, crafted to elevate your navigation and control experience. At the core of the helm are two 28-inch Raymarine displays, delivering sharp visuals and extensive data to keep you informed and in control. The Mercury Binnacle and Mercury Vessel View provide precise management and

monitoring of the yacht's performance, ensuring a smooth and efficient voyage.

Maneuverability is enhanced by a hydraulic bow thruster, allowing for precise handling in confined spaces. Communication remains dependable with a VHF radio, keeping you connected at all times. The Mercury Skyhook Joystick offers intuitive control, making docking and maneuvering a breeze. For advanced navigation, the Raymarine open array radar delivers accurate and detailed insights into your surroundings.

Comfort is well considered, with helm air conditioning ensuring a pleasant atmosphere while you navigate. A conveniently positioned cupholder adds to the practicality, allowing you to keep refreshments within easy reach. This comprehensive electronics package is designed to offer both functionality and ease of use, making your time on the water both enjoyable and efficient.

Engine room

The engine room of this yacht is a center of cutting-edge engineering and meticulous design, guaranteeing peak performance and comfort throughout your journeys. At its core lies the Seakeeper, an advanced stabilization system that dramatically minimizes roll, offering a smoother and more pleasurable experience on the water.

Storage solutions are ingeniously incorporated, with a dedicated spot for the swim ladder, ensuring it remains secure and easily accessible when required. Climate control is expertly handled by a robust 30,000 BTU air conditioning unit, maintaining a comfortable atmosphere even in the toughest conditions.

Powering the yacht's systems is a dependable diesel generator, ensuring all onboard amenities operate flawlessly, no matter where you are. This engine room is crafted to be both efficient and user-friendly, making it a vital part of your yachting adventure.
