## Enhancements

---

This yacht represents the pinnacle of contemporary design, featuring a range of enhancements that take the onboard experience to extraordinary levels. Central to its stability is the SEAKEEPER 3, which guarantees smooth voyages even in rough seas. The utmost comfort is assured with a cutting-edge air conditioning system (A/C) that keeps the ideal climate throughout your travels. For passionate anglers, the yacht includes four deep drop reel plugs, making it a true paradise for fishing enthusiasts.

The helm exemplifies luxury and practicality, equipped with all-release helm chairs that offer both comfort and user-friendliness. The blue water rocket launcher adds elegance and functionality for those who love fishing. A custom tower with forward-facing seats provides a panoramic view of the horizon, ideal for both steering and unwinding.

Stay connected wherever you are with Starlink, offering dependable internet access on the high seas. Navigation and system monitoring are simplified with an impressive selection of Garmin screens: two 22-inch screens, one 12-inch screen, and one 16-inch screen, delivering comprehensive and intuitive management of the yacht's systems.

Additionally, the yacht is equipped with Gemlux carbon white outriggers, boosting its fishing prowess, while teaser reels enhance the appeal for dedicated sport fishing. For those prioritizing safety and night-time navigation, the FLIR system provides advanced thermal imaging, ensuring security and tranquility.

Every aspect of this yacht has been carefully designed to deliver an outstanding maritime experience, seamlessly combining state-of-the-art technology with opulent comfort.
