OVERVIEW

Immerse yourself in the elegance of the 2001 Mediterranean 38 Convertible. This timeless yacht, originating from California and first introduced in 1985, continues to be an exceptional option for those desiring adaptability and outstanding value. Whether you're embarking on a premier fishing expedition, exploring the ocean's depths, or savoring relaxed voyages with family and friends, this yacht shines in every regard. Its classic convertible design, combined with a semi-V hull, offers a single-stateroom configuration with a galley-down layout. The welcoming salon includes a built-in entertainment center, while the breakfast bar provides a charming view of the galley, enhancing both comfort and practicality. Don't miss the chance to own this Mediterranean treasure, a true highlight in the yacht market at its current location. Ideal for anyone seeking to purchase a yacht that epitomizes allure and performance.

DETAILED DESCRIPTION

Cockpit

The cockpit of this yacht exemplifies both practicality and luxury, crafted to satisfy the demands of passionate fishermen and casual cruisers alike. Central to the cockpit is an expansive live well, ideal for keeping your catch in prime condition. Nearby, a fully equipped tackle center keeps all your fishing equipment organized and easily accessible. Strategically placed VHF speakers ensure clear communication and entertainment throughout the space.

The cockpit features both fresh and saltwater washdown systems, simplifying cleanup after a day on the water. With six rod holders, there is ample room to secure your fishing rods, while two spacious fish boxes provide generous storage for your catch. The transom door offers effortless access to the water, leading to a practical swim platform.

Comfort is elevated with a coaming pad, and safety is ensured with a robust stainless steel rail. For those who enjoy taking the helm, cockpit controls are conveniently located, and a stainless steel ladder provides easy access to the bridge. The yacht is also equipped with Lee double spreader outriggers, enhancing your fishing potential.

Electrical needs are met with two 30 amp shore power cords, guaranteeing support for all your onboard systems. This cockpit is not merely a functional area but a meticulously designed space that enriches the entire yachting experience.

Flybridge

The flybridge of this yacht exemplifies exceptional design and practicality, providing an elevated perspective and a wealth of features to enrich your

maritime adventures. Outfitted with trim tabs, the flybridge guarantees smooth and stable cruising, while a full array of gauges keeps you updated on all critical information. The Maxwell remote windlass simplifies anchor handling, enhancing the ease of your voyage.

For signaling and safety, the flybridge includes horns, and the stainless steel bow rail combines security with elegance. Fishing enthusiasts will value the four bridge rod holders, offering ample room for securing rods. Safety is further bolstered by fire deck handles and side handles, ensuring safe movement throughout the area.

Comfort is a priority on the flybridge, with expansive seating areas featuring plush cushions, inviting you to unwind and take in the scenery. The drop back bar with clips adds versatility, allowing for easy customization to meet your preferences. Two helm chairs offer comfortable seating for the captain and a guest, ensuring long journeys are enjoyed in comfort.

The flybridge is shielded by a robust fiberglass hardtop, providing protection from the elements while maintaining an open and breezy atmosphere. Additionally, covers are provided to safeguard the seating and equipment when not in use, ensuring everything stays in immaculate condition. This flybridge is not merely a functional area but a meticulously designed space that elevates the entire yachting experience.

Electronics

The yacht's electronics suite is crafted to deliver state-of-the-art navigation and communication features, ensuring a smooth and pleasurable journey. Central to this system is the Raymarine 218 VHF, providing dependable communication for both safety and ease. The yacht boasts two ST 6001 autopilots, offering precise and effortless steering, allowing you to maintain your course with confidence.

A highlight of the system is the new Raymarine C120 GPS/Radar, which merges advanced GPS navigation with radar functions, delivering comprehensive situational awareness and enhancing your ability to navigate safely in diverse conditions. The addition of another autopilot further emphasizes the yacht's dedication to offering an exceptional navigational experience.

To power these sophisticated systems, the yacht is fitted with a generator, ensuring a steady power supply for all electronic devices and systems. This comprehensive electronics package not only boosts the safety and efficiency of your voyages but also enhances the overall yachting experience.

Salon

The salon of this yacht seamlessly combines elegance and practicality, offering a welcoming and comfortable space for both relaxation and entertainment. Central to the salon is a dinette area, complete with two stools, providing a cozy nook for dining or casual gatherings. Nearby, the U-line icemaker ensures that refreshments are always within reach, adding an element of convenience to your time on board.

An L-shaped sofa, complemented by a chic table, creates an ideal setting for lounging or entertaining guests. The entertainment options are abundant, featuring a stereo system, CD player, and TV, ensuring you can enjoy your favorite music and shows while cruising. The salon's aesthetic is further elevated by sophisticated Corian countertops, adding a touch of refinement to the space.

For fishing enthusiasts, rod storage is conveniently situated above, keeping your gear organized and easily accessible. This salon is more than just a living area; it is a well-appointed sanctuary that enhances the overall comfort and enjoyment of your yachting experiences.

Galley

The galley of this yacht is meticulously crafted to blend functionality with contemporary amenities, ensuring that cooking at sea is both efficient and pleasurable. At the heart of the galley is a two-burner electric stove top, offering ample space for preparing a wide range of dishes. Complementing this is a Samsung microwave, providing quick and convenient heating options, ideal for meals on the go.

The Norcold refrigerator keeps all your perishables fresh, offering ample storage for longer voyages. Dual stainless steel sinks enhance the galley's practicality, making cleanup effortless and adding a sleek, modern touch. This well-appointed galley is more than just a cooking area; it is a culinary center that elevates the entire yachting experience, allowing you to savor delightful meals while enjoying the splendor of the open sea.

Master stateroom

The master stateroom of this yacht is a haven of luxury and comfort, crafted to offer a serene escape after a day on the water. Central to the room is a queen-sized centerline bed, providing opulent sleeping quarters with handy storage beneath. The space is thoughtfully outfitted with two hanging lockers and additional drawer storage, ensuring plenty of room for all your possessions.

Natural light pours into the stateroom through two forward hatches and two port lights, creating a bright and welcoming environment. For climate control, the stateroom is equipped with dedicated A/C controls, allowing you to adjust the temperature to your liking. Entertainment is easily accessible with a built-in stereo system, enhancing the ambiance of this private retreat.

The stateroom is embellished with custom fabrics, adding a touch of personalized elegance to the decor. Practicality is seamlessly integrated, with

easy access to the anchor locker and a full-length mirror that provides both functionality and a sense of openness. This master stateroom is more than just a sleeping area; it is a well-appointed sanctuary that elevates the entire yachting experience, offering luxury and practicality in perfect harmony.

Head

The head of this yacht is crafted with an emphasis on both practicality and comfort, offering a private and well-equipped area for personal care. It includes a head with a separate shower, providing the convenience of a dedicated bathing space, which enhances the overall onboard experience. The addition of a mirror adds functionality, making grooming and preparation effortless.

Stainless steel ports not only enhance the sleek and modern look of the space but also allow natural light to stream in, creating a bright and welcoming environment. This thoughtfully designed head is more than just a functional area; it is a comfortable and stylish space that complements the yacht's luxurious ambiance, ensuring all your needs are met while at sea.

Manufacturer provided description

The Mediterranean 38 Convertible is a highly adaptable yacht, equally skilled at chasing billfish as it is at providing leisurely family cruises. Its modified deep-V hull is crafted to ensure a smooth ride in offshore conditions, delivering the safety, seakeeping ability, and performance that both seasoned yachtsmen and dedicated sport fishermen expect. Inside, the yacht boasts curved, laminated teak cabinets and doors, finished with a satin-smooth, hand-rubbed polish. The use of luxurious decorator fabrics, lined lockers, and exquisitely tailored upholstery creates a bright and inviting atmosphere.

The yacht offers two interior configurations to cater to different tastes. Interior

A includes a forward owner's stateroom with a spacious double berth, a fully enclosed head with a separate stall shower, and an L-shaped galley situated three steps down from the main salon, complete with a serving bar and pantry. The main salon can house an L-shaped settee that transforms into a double berth, and it features a teak entertainment center with a built-in color TV. An inside lower steering station can be added for extra convenience. Interior B replicates this layout but adds an extra double stateroom, with the galley moved up into the salon.

The Mediterranean 38's cockpit is a paradise for passionate fishermen. Extending over eight feet in length, it comes standard with a transom door and two large fish boxes, either of which can be converted into a freezer or a live baitwell. A built-in 48-gallon, five-scoop live bait tank, a fiberglass bait and tackle center with a sink and cutting board, polished stainless steel rocket launchers, and numerous flush rod holders are all meticulously designed to satisfy the most discerning angler.

Disclaimer

The Company offers the particulars of this vessel with sincere intent, aiming to deliver precise and dependable information.
