## OVERVIEW

---

Built in 2022, this 44-foot open motor yacht is conceived for Mediterranean exhilaration and tranquil evenings alike, marrying race-influenced engineering with a sleek, contemporary sensibility. Molded in advanced fiberglass composites with a sturdy GRP deck, her silhouette is taut and purposeful—an elegant promise of the performance that lies beneath the varnished decklines. From the pen of Lorne Campbell, the hull exhibits composed manners and exceptional efficiency through the speed band. Propelled by twin Mercury outboards, she responds instantly to the throttle with quiet, assured power, capable of reaching an astonishing 70 knots while remaining predictable and confidence-inspiring at the helm. The result is a performance cruiser that turns every run into an occasion—lively yet stable, athletic and finely balanced.

An 11-foot beam produces a deck layout that welcomes easy movement and convivial gatherings. A lounge-forward arrangement, expansive cockpit seating and thoughtfully placed handholds make underway entertaining both stylish and secure. The atmosphere is open and luminous, with ergonomic intent and premium upholstery that lift every moment on board. Whether hosting a spirited afternoon anchored off a Cycladic cove or slipping out for a private sunset dash, the arrangement is tailored perfectly to Greece's island-hopping rhythm.

Below deck, the cabin offers uncomplicated luxury—calm, airy and practical for occasional overnighting. A well-appointed day head and discreet storage maintain a tidy, welcoming interior, while climate control options and soft, adjustable lighting create a gentle retreat from the elements. Up above, an elegantly arranged helm with superb sightlines and fingertip controls promotes easy confidence, whether negotiating a bustling marina or trimming the boat for efficient, high-speed passage.

Practicality supports the glamour: a 277.38-gallon fuel capacity provides

meaningful range for adventurous itineraries, and 47.55 gallons of fresh water sustain relaxed day-to-night living. Durable materials, easy-care finishes and thoughtful systems choices keep ownership rewarding and low-stress, preserving both aesthetics and function.

Moored in Greece and available for immediate enjoyment, this 44-footer shines across roles—as a Luxury Sport Cruiser, High-Performance Dayboat, Open Motor Yacht, Express Cruiser and even a distinguished Superyacht Tender—for owners who want pace without compromise and refinement without affectation, delivering visceral excitement wrapped in effortless elegance.

# DETAILED DESCRIPTION

---

## Ribco Venom 44

---

Ribco Venom 44 is the flagship of the Greek shipyard, distilling over twenty years of mastery in building high performance RIBs into a single, uncompromising craft, whose seaworthy stepped hull is driven by twin Mercury V12 600HP engines with only 175 running hours. Always at the ready, she surges to an impressive 70 knots while preserving a calm, dry and reassuring ride, delivering the swift, smooth transfers expected of a dependable superyacht chase tender and the thrilling yet secure passages desired in an ideal family RIB, carrying friends and loved ones to crystal clear waters at high average speeds even when the weather turns. Marrying safety, speed and comfort with pure enjoyment, she offers the ultimate experience on board, a promise underlined by her very low engine hours and effortlessly confident performance.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.
