OVERVIEW

The 2021 Cranchi 44 arrives as a meticulously finished motor yacht that pairs sculpted Italian styling with assured performance, refined living spaces and sophisticated onboard systems. Propelled by Volvo Penta D6-400 engines, she offers composed, reliable power and responsive handling, making her equally suited to tranquil coastal passages, indulgent weekend escapes and extended cruising programmes.

A carefully specified navigation and monitoring suite enhances confidence at the helm, featuring Raymarine GPS, a Raymarine autopilot with remote control, a Garmin positioning system and a Raymarine camera system to improve situational awareness both underway and alongside the quay.

Anchoring is made straightforward by the inclusion of a remote chain counter, reinforcing her credentials as an exceptionally user-friendly express cruiser.

Outdoor life is a focal point, centred on a hydraulic swimming platform that simplifies water access and forms an elegant sea level terrace for sunbathing, launching toys or easy boarding from the tender. Electrical autonomy has been thoughtfully addressed with a Paguro 6 kVA generator, solar panels and a lithium battery system, delivering efficient power management and extended independence from shore supply—ideal for owners who value flexibility and quiet operation.

Climate control is provided by an air conditioning system with both interior and exterior units, keeping the saloon and cockpit comfortable in all conditions, while entertainment is comprehensive throughout the vessel with four TVs and a Fusion sound system for a fully immersive audio visual experience.

The galley and domestic areas are arranged for effortless living aboard, equipped with two refrigerators, two induction hobs, a washing machine and a dishwasher so provisioning, meal preparation and housekeeping remain

simple on longer passages. Altogether, this high specification Cranchi 44 stands as a sophisticated power cruiser that balances performance, technology, comfort and practical equipment in one exquisitely composed package—ready to be enjoyed on the water.
