OVERVIEW

Moon Yacht SPORTSLINE 45 – Where Performance Meets Sophistication

The Moon Yacht SPORTSLINE 45 marries contemporary beauty with exhilarating speed and sumptuous comfort, crafted for those who value both refined style and purposeful design. Whether for sun-drenched day trips, leisurely weekend escapes, or serving as an elegant tender to a superyacht, this yacht delivers an experience that is as graceful as it is dynamic.

Built with the same exacting workmanship found in Moon Yacht's larger models, the Sportsline 45 presents a glossy lacquered hull and superstructure with the option of metallic finishes for added presence. Natural teak decking runs throughout — on the cockpit, swim platform, and side decks — while the interior is fully customizable, offering a carefully chosen palette of high-end fabrics and upholstery colors to suit individual taste.

Performance can be tailored to the owner's desires with multiple propulsion choices, from twin 370 HP or 440 HP inboard diesels to a heart-racing triple outboard configuration of up to 3 x 600 HP, all supported by a high-performance hull that balances speed with sea-kindly manners. The cockpit is generously laid out and ergonomically appointed, featuring lounge seating, sunpads, and a well-equipped bar complete with sink, refrigerator, and ice maker for effortless entertaining.

Below deck, the ambiance is bright and airy, finished to the highest standards with sophisticated surfaces and premium materials that enhance both comfort and functionality. The Moon Yacht SPORTSLINE 45 is a refined, sporty statement — perfect for day cruising, weekend adventures, or as a premium superyacht tender.

Explore yacht sales in the current boat location and seize the opportunity to own a yacht that embodies both style and performance.
