OVERVIEW

“Co-Motion” presents as a pristine, turn-key freshwater 2008 Sea Ray 44 Sundancer, an express cruiser of refined lines that carries the presence and comfort of a luxury motor yacht. Her generous, lounge-style cockpit opens to an extended hydraulic swim platform that invites easy boarding and tender stowage, while the well-conceived two stateroom, two head arrangement provides residential comfort for weekend escapes or longer cruises. At the helm a full complement of navigation and engine electronics is within easy reach, anchored by a Raymarine E120 chartplotter/GPS and Raymarine Autohelm autopilot, and the boat is propelled by twin MerCruiser 8.1 Horizons (370 hp) for assured, smooth performance. The galley is compact yet capable, with a recessed two-burner cooktop, microwave/convection oven and under counter refrigerator/freezer that make every outing effortlessly livable. From launch she has lived exclusively in freshwater and has been sheltered under cover on the St. Croix River, receiving meticulous maintenance and seasonal care. She is currently berthed at Bayport Marina in Bayport, Minnesota, with winter storage included and the option of a marina slip for the 2026 season at the standard seasonal rate — an arrangement well suited to buyers seeking a refined cabin cruiser, performance cruiser, or weekend powerboat that is ready to go.

Recent service and upgrades reflect ongoing attention: batteries were renewed with two starting and three house units between 2024 and 2025; bottom paint was applied in Fall 2024; a professional buff and wax is performed annually, most recently in Spring 2025; cockpit carpet was replaced in 2023; Sealift fold flat davits were added in 2024; the audio system was enhanced with a Fusion stereo and remote head plus JL Audio speakers during 2023–2024; the forward stateroom received a custom innerspring mattress with pillow top in 2023; the Raymarine E120 received a new LED screen and firmware update in

2024; and an under platform swim ladder was installed in 2025 to facilitate boarding when the tender rides aft.

Her equipment list reads as comprehensively outfitted for comfort and convenience: hydraulic swim platform, bow thruster, cockpit air conditioning, recessed two burner cooktop, anchor washdown system, beam central vacuum, bow to beach folding ladder and rod holders, full camper enclosure with helm cover and carpet runners, high gloss cherry interior, cockpit refrigerator and a cockpit TV mounting bracket, flagstaff and ensign, foredeck sun pads, microwave/convection oven, Raymarine Autohelm and E120 chartplotter/GPS, remote searchlight, under counter refrigerator/freezer, underwater lights, VacuFlush heads and a windlass with remote bow switches. Included with the sale are the most recent survey (2022), all owner's manuals and service records, shore power cords, docking lines, fenders, life jackets and a life ring. Excluded are the Zodiac Yachtline tender, personal effects, and sand anchors and lines.

A standout example of Sea Ray's express cruiser ethos, "Co Motion" marries tasteful styling, onboard comfort and practical capability to deliver a polished motor yacht experience in a true cabin cruiser package.
