OVERVIEW

2019 Sealine F430 "La Vida Boca"

"La Vida Boca" is a pristine Sealine F430, boasting just 380 hours of use. This 44'5" yacht has been meticulously cared for and sparingly used. The Sealine F430 is a masterpiece of European design and craftsmanship, offering unmatched amenities and flexibility for a yacht under 45 feet. From the bow to the swim platform, this vessel is adorned with luxurious touches, making it the epitome of elegance in a 43-footer. Outdoor living is a delight with options like the cockpit, bow lounge, and the standout flybridge. At nearly 45 feet, it sets a class benchmark. The outdoor grill, complete with a wet bar and dual refrigerators, is always within easy reach. The unique hull windows not only define the exterior but also flood the interior with natural light. Inside, the spacious layout accommodates up to three double cabins or two with a master suite amidships. Premium materials like fine leather, genuine slate wall panels, and piano lacquer-finished furniture enhance the opulent ambiance.

The F430 is equipped with two barbecue islands, one at the stern and another on the flybridge, each featuring a sink, pop-up lighting, and storage. The flybridge is expansive, perfect for family and friends, offering activities from sunbathing to open-air barbecues. Enjoy life on the water in complete comfort. The hydraulic swim platform lowers effortlessly, with steps that extend automatically. Adjustable cushions allow you to create your ideal relaxation space, while additional seating and atmospheric pop-up lights make this area even more inviting.
