OVERVIEW

Discover the Epitome of Elegance: 2024 Luxury Yacht

Step aboard this magnificent 2024 luxury yacht, a true masterpiece of modern design and engineering, currently located in the United States. This exquisite vessel, available for yacht sales, is a testament to the pinnacle of craftsmanship and innovation, offering an unparalleled experience on the open seas.

With a length overall (LOA) of 44 feet and an impressive beam of 21 feet, this yacht provides a spacious and comfortable environment for both relaxation and entertainment. The sleek hull, crafted from a sophisticated blend of fiberglass and plastic, ensures a smooth and stable ride, while the fiberglass deck offers durability and style.

Powered by twin Volvo inboard engines, this yacht promises a powerful yet efficient journey, with diesel fuel ensuring long-range capabilities. The substantial fuel capacity of 534 gallons allows for extended adventures, while the 200-gallon water capacity ensures ample supply for all your needs.

Inside, the yacht's interior is a sanctuary of luxury, designed to cater to your every desire. Although the specific interior designer remains unnamed, the attention to detail and quality of materials speak volumes. Every corner of this vessel exudes elegance, from the plush seating areas to the state-of-the-art amenities.

Whether you're looking to buy a yacht for personal leisure or to make a statement in the world of yacht sales, this 2024 model is the perfect choice. Its current boat location in the United States makes it an ideal option for those seeking yacht sales in this region.

Embrace the opportunity to own a piece of nautical excellence. This yacht for sale is not just a vessel; it's a lifestyle. Experience the ultimate in luxury and

performance, and let the open sea be your playground.

DETAILED DESCRIPTION

2024 Fountaine Pajot MY6 Freedom

The 2024 Fountaine Pajot MY6 Freedom, in its Platinum Version, is a masterpiece of nautical engineering and luxury. This yacht is designed to offer unparalleled comfort and sophistication on the water. The flybridge is equipped with a windlass control and chain counter, ensuring ease of navigation and anchoring. Outdoor spaces are adorned with plush cockpit and fly cushions, while the front saloon is fitted with elegant pleated blinds, providing both style and privacy.

The yacht features a fresh water electric head, and the main grid can be configured to either 220V 50Hz or 220V 60Hz, catering to various electrical standards. Outdoor foredeck cushions invite relaxation, and both inside and outside courtesy lighting enhance the ambiance. A hot water deck shower adds a touch of luxury, while the 3000W 70A charger inverter ensures efficient power management. The pressurized seawater system, with two outlets, is a practical addition, and the PVC indoor upholstery in a striking blue hue complements the yacht's aesthetic. The flybridge is crowned with a Bimini hardtop, offering shade and style.

Exterior equipment includes sophisticated window blinds for the saloon, a diner table on the flybridge, and kitchen furniture that elevates the outdoor culinary experience. The synthetic teak floor on the transoms and cockpit adds a touch of elegance, while a fridge and a 220C Kenyon electric grill on the flybridge ensure that refreshments and meals are always at hand. Underwater lights create a mesmerizing effect, and a cockpit fresh water outlet adds convenience.

Inside, the yacht is fitted with an additional cabin, and the maestro shower features a synthetic teak floor, enhancing the luxurious feel. The electronics

package is comprehensive, with a second VHF handset, Garmin 2 IPS pilot, AIS VHF, and two GPSMAP 17" screens. Two extra 17" Garmin screens and a Garmin radar ensure state-of-the-art navigation. The BOSE audio-video pack, complete with a tuner DVB-T, provides entertainment in the saloon, cockpit, and flybridge.

Household appliances are designed for comfort and convenience, with a fridge and 5C cold storage side by side, four induction hobs, a combination microwave oven, a dishwasher, and a 5k washer/dryer, all operable on generator and quay. The yacht also features two fresh water electric heads on the starboard side.

Electricity and lighting are optimized with an additional electric freshwater pump, a 12V diesel transfer pump, and a 12V low consumption watermaker. The full boat A/C system, with a tropical upgrade to 60,000 BTU, ensures a comfortable climate in all conditions.

Navigation is enhanced with an aft hydraulic platform capable of supporting up to 250kg, finished with synthetic teak. The yacht is protected with antifouling and epoxy primary, and the fly helm station features a double seat for comfort. An electrical 60Hz shore cord reel, an 11KW 22V 60Hz generator, and a 220V 60Hz air conditioning shore connection ensure seamless power management. The VHF is equipped with US channels, and the BOSE audio-video pack is available for the saloon, cockpit, and flybridge, excluding the TV set.

Safety is paramount, with a 25kg delta anchor and 60m of 12mm stainless steel chain, ensuring secure mooring. The 2024 Fountaine Pajot MY6 Freedom is a yacht that combines luxury, performance, and practicality, making it an exceptional choice for discerning sailors.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
