OVERVIEW

This magnificent power catamaran is in the process of being custom-built in Italy, offering the prospective owner the chance to tailor the cabin layout, wood finishes, cushion colors, and exterior hull shade. With a base price of \$699,000, this remarkable vessel can be delivered fully outfitted to the US East Coast or the Caribbean for under \$750,000, brand new and customized to your preferences. Additionally, as part of our managed bareboat fleet, I can assure you an 8% fixed return on your investment.

Designer Insights:

We are delighted to introduce the Cervetti 44 catamaran, marking a new era for our shipyard, where quality is prioritized over quantity.

In partnership with a skilled team of Italian designers and engineers from the yacht design studio Skyron, this catamaran incorporates all the sought-after features one could desire in a vessel.

With its striking and dynamic hull design, featuring inverted bows, you will feel a sense of continuous motion. The unique grill on the deckhouse and sporty openings at the stern further accentuate the vessel's lively aesthetic. This yacht for sale is a true masterpiece, ideal for those seeking to purchase a yacht that stands out in the current boat location. Explore yacht sales in the current boat location and seize the chance to own this extraordinary catamaran.

DETAILED DESCRIPTION

Section name

This yacht boasts a remarkable suite of electronics, guaranteeing a smooth and delightful sailing adventure. Central to its navigation prowess is an advanced depthsounder, paired with a cutting-edge radar system. The log-speedometer delivers accurate speed readings, while instruments for wind speed and direction supply essential data for optimal navigation.

For technology enthusiasts, the yacht includes repeaters and a fully equipped navigation center, ensuring you remain on course with ease. The plotter and autopilot systems seamlessly collaborate to guide you effortlessly through the waters. Communication is straightforward with a dependable radio and VHF system, keeping you connected at all times.

The yacht's compass and GPS systems ensure precise positioning, while the cockpit speakers provide excellent sound quality for entertainment.

Furthermore, the yacht is fitted with Wi-Fi, enabling connectivity even while at sea. The AIS system boosts safety by offering real-time updates on nearby vessels.

This yacht's electronics suite is crafted to deliver both practicality and luxury, ensuring every voyage is a joy.
