# DETAILED DESCRIPTION

---

## Section name

---

The 44ST is an extraordinary yacht that truly delivers on the promise of "performance through innovation." With its impressive size, this vessel features a beam exceeding twelve feet and extends to a length of 44 feet, offering generous space and stability on the water. Its large fuel capacity of 600 gallons allows for long journeys without frequent refueling, enabling seamless adventures at sea.

Beneath the surface, the 44ST is crafted for superior performance, boasting a maximum horsepower of 2,000. This power can be utilized through either triple or quad engine setups, ensuring the yacht excels in speed, performance, and dependability. Whether you're enjoying a leisurely cruise or testing the limits, the 44ST provides an exhilarating experience on the water.

Every element of the 44ST is meticulously designed with precision and innovation, making it an exceptional choice for those who desire both luxury and high performance in their nautical adventures.

## Standard equipment

---

The 44ST yacht comes with an impressive selection of standard features that guarantee both practicality and comfort for any sea voyage. At the forefront, a forward anchor locker with storage ensures easy access and organization for anchoring needs. The yacht offers a generous 70-gallon water capacity, providing ample supply for longer journeys. For fishing enthusiasts, the vessel includes a 340-gallon forward fish box and two 110-gallon aft fish boxes, offering plenty of room to store the day's catch. Additionally, a 315-gallon forward storage compartment provides extra space for gear and essentials.

Anglers will appreciate the two 10-foot rod lockers, designed to keep equipment secure and ready for action. The yacht also features two 55-gallon transom live wells, ideal for keeping bait lively and fresh. For docking and mooring, the 44ST is equipped with an 8-inch pop-up cleat, two heavy-duty stern lifting rings, and a robust bow lifting ring located in the floor peak locker. The vessel also includes two 10-inch stern cleats and two 8-inch cleats with hause pipes positioned midship, ensuring secure and versatile mooring options.

Enhancing the fishing experience, the yacht is fitted with four flush mount gunnel rod holders, providing convenient access to rods while maintaining a sleek profile. Safety and ease of movement are prioritized with a custom aluminum recessed bow handrail, offering stability and support as you navigate the deck. Each of these thoughtfully integrated features contributes to the 44ST's reputation as a well-equipped and versatile yacht, ready to meet the demands of any seafaring journey.
