## OVERVIEW

---

The 2025 Jeanneau DB 43 redefines the luxury day boat segment with its striking design, remarkable performance, and lavish features. This 44-foot marvel, designed by the esteemed Camillo Garroni and Michael Peters, boasts a sleek profile and a hull crafted for exceptional handling and stability.

Equipped with three 350-hp Mercury outboard engines, it offers thrilling speed and peaceful cruising experiences. On the deck, the DB 43 presents a spacious cockpit with versatile seating arrangements, a fully functional kitchen, and dual side terraces that open up to create a "Beach Club" atmosphere, perfect for social gatherings or enjoying the ocean.

Below deck, the yacht includes two sumptuous cabins with en-suite bathrooms, luxurious finishes, and plenty of natural light, providing comfort for extended stays. Featuring advanced technology like joystick docking, a bow thruster, and the SEANAPPS system for remote management, the DB 43 effortlessly combines sophistication, performance, and cutting-edge innovation for the discerning yacht lover.

## Standard Key Features

---

This exquisite yacht represents the pinnacle of design and craftsmanship, delivering an unmatched experience on the water. Its exterior gleams with a breathtaking Aurora Gold Metallic finish, perfectly harmonizing with the refined interior. Inside, the yacht features premium materials, such as Leather Duke 01 upholstery and Macadamia White cockpit upholstery, creating an ambiance of sophistication and comfort.

An electric sunroof invites you to bask under the open sky at your convenience. Your voyages are powered by a reliable 7.5kva ONAN diesel generator, providing ample energy for long adventures. The climate control system is exceptional, with a 12k BTU air conditioning unit for the cockpit and a 20k BTU unit for the cabins and head, ensuring a cool and comfortable environment in any climate.

Cutting-edge technology is at your command with the ship control technology system, allowing effortless management of the yacht's features. Navigation is simplified with a bow thruster, while the exterior electric grill and vitroc ceramic cooktop offer gourmet dining options on deck. For water enthusiasts, the yacht features two fold-down electric swim terraces on both port and starboard sides, making it easy to dive in and enjoy the ocean.

Anchoring is straightforward with a stainless steel anchor and S/S bow protection, providing stability and security. The master cabin is a luxurious retreat, complete with a vanity and bar cabinet for your convenience. Shore power is seamlessly handled with an automatic retractable reel, and the yacht includes two additional batteries for enhanced reliability.

Maintenance is hassle-free with a deck washing electric pump offering both sea and fresh water options, along with an automatic outboard flushing

system. Entertainment is delivered by a Fusion audio sound system, providing high-quality audio throughout the yacht. The ambiance pack and ventilation pack further enrich the onboard experience, ensuring every moment on this yacht is one of sheer luxury.

## Optional features

---

This yacht exemplifies luxury and cutting-edge design, offering a variety of optional features that enhance your time on the water. The interior boasts a refined layout with two cabins and one head, complemented by a breakfast nook, all beautifully finished in White Oak. For those desiring extra comfort, the yacht includes a Comfort Pack, making every voyage as soothing as possible.

The advanced electronics package, along with its upgrade, delivers top-tier navigation and control systems, boosting your confidence in exploration. Docking is simplified with a complete mooring kit, while the aft electric sun awning with Sureshade provides shade and comfort on bright days. Additional protection is offered by a sunshade for the front cockpit on poles, and an Eisenglass kit for the sidedecks and galley in a chic graphite finish.

Relaxation is key with Mac White cushions on the front sundeck, and the gyroscopic stabilizer Seakeeper SK3 ensures stability by reducing motion for a smoother journey. The yacht is well-prepared for entertaining, featuring a refrigerator, an ice maker in the cockpit, and a microwave, ensuring all the essentials for hosting are at hand.

The climate control system is outstanding, with a 16k BTU air conditioning unit in the exterior cockpit maintaining a cool and comfortable atmosphere. The Mona Lison bedding set adds elegance to the sleeping areas, while the Heather White sofa in the aft cabin offers a cozy escape. The yacht's exterior is equally striking, with a premium metallic hull paint that radiates sophistication.

For those who seek the finest technology, the Quantum 2 digital radar provides accurate and dependable navigation. The wood lathing in the cockpit, aft and side platforms, and sidedeck adds a touch of natural elegance, completing the yacht's opulent aesthetic. Each of these optional features has been meticulously chosen to enhance your yachting experience, ensuring every moment on board is filled with unmatched luxury and comfort.
