## OVERVIEW

---

Preliminary listing — updated specifications and photographs to follow. St. Peter has been purpose-configured to serve as a luxury superyacht tender and benefits from a suite of bespoke upgrades, including a custom enclosure for the helm and cockpit, dedicated air conditioning at the helm, a stainless steel wraparound bow rail, and a foredeck re-laid in non-skid to convert the area into a more guest-friendly, usable space. The 44-foot Rivarama Super carries forward the timeless character of the classic Rivarama—twice awarded Best European Open Yacht in the 40–60 ft class—celebrated for its innate elegance and effortless comfort, which earned it the sobriquet “floating suite.” With a deck entirely sheathed in mahogany, this Italian open motor yacht stands as the conceptual heir to the marque’s legendary models. Conceived as the definitive couple’s cruiser, the Rivarama Super features an inventive layout centered on a single forward master cabin outfitted with every conceivable amenity. Realized in premium materials and enhanced by meticulous hand-finished details, she offers generous livability alongside thrilling performance, both in rapid acceleration and at top speed. As an open yacht and refined express cruiser, the Rivarama Super is the quintessential choice for discerning owners who value artisanal craftsmanship, contemporary design and an exhilarating on-water experience.
